The undivided share of ownership of the Common Elements and Common Surplus appurtenant to a Unit cannot be conveyed or separately hypothecated. As long as the Condominium exists, the Common Elements cannot be partitioned. 10.2.3 Electrical. The Unit Owner shall maintain all electrical fixtures, apparatus or installations located within the Unit, which service only the individual Unit plus all electrical fixtures, apparatus or installations from and including the circuit breaker inward, which service only that Unit.

10.2.4 Sliding Glass Doors. The Unit Owner shall maintain sliding glass doors and the structural components thereof including frames and fixed panels, the tracks therefore, all door hardware, trim, and caulking, subject to the provisions of this Declaration.

10.2.5 Unit Front Entry Door. The Unit Owner shall maintain Unit front entry door, except that the Association may paint the exterior of entry doors, subject to the provisions of this Declaration.

10.2.6 Other Doors. The Unit Owner shall maintain all other doors and the framing and structural components thereof, including trim, caulking, locks and hardware within or servicing the Unit, subject to the provisions of this Declaration.

10.2.7 Window and Balcony Screens. The Unit Owner shall maintain all window screens and balcony screens/frames.

10.2.8 Hurricane Shutters.

10.2.8.1 The board may install hurricane shutters, impact glass, code-compliant windows or doors, or other types of code-compliant hurricane protection that comply with or exceed the applicable building code on any opening in in the Condominium, including unit windows.

10.2.8.2 The expense of installation of hurricane shutters, impact glass, code-compliant windows or doors, or other types of code-compliant hurricane protection by the board constitutes a common expense and shall be collected as provided in this Declaration.

10.2.8.3 A unit owner who has previously installed hurricane shutters, impact glass, code-compliant windows or doors, or other types of code-compliant hurricane protection that are the same as what the Board is contemplating and that comply

with the current applicable building code shall receive a credit when the shutters, impact glass, code-compliant windows or doors, or other types of code-compliant hurricane protection are installed and the credit shall be equal to the pro rata portion of the assessed installation cost assigned to each unit. However, such unit owner remains responsible for the pro rata share of expenses for hurricane shutters, impact glass, code-compliant windows or doors, or other types of code-compliant hurricane protection installed on common elements and association property by the board and remains responsible for a pro rata share of the expense of the replacement, operation, repair, and maintenance of such shutters, impact glass, code-compliant windows or doors, or other types of code-compliant hurricane protection.

10.2.8.4 The Unit Owner shall thereafter maintain hurricane shutters, impact glass, code-compliant windows or doors, or other types of code-compliant hurricane protection and the structural components thereof, subject to the provisions of this Declaration

10.2.9 Electrical, Plumbing, and Mechanical Fixtures. The Unit Owner shall Maintain the electrical, mechanical and plumbing fixtures and outlets (including connections) within a Unit and serving only that Unit including sinks, toilets, tubs, showers, shower pans, and all related fixtures and installations.

10.2.10 Appliances. The Unit Owner shall maintain all appliances within the Unit.

10.2.11 Heating and Air Conditioning Equipment; Ductwork. The Unit Owner shall Maintain all portions of the heating and air conditioning equipment (including compressors, air handlers, ductwork, refrigerant lines and discharge lines), dryer vents to the point of termination (even if exterior to the Unit), and air conditioner or air handler discharge lines to the point of termination or connection to another discharge (even if exterior to the Unit).

10.2.12 Floor Coverings. The Unit Owner shall maintain carpeting and other floor covering (including balcony areas).

10.2.13 Other Equipment and Fixtures. The Unit Owner shall maintain all other equipment or fixtures located or contained entirely within a Unit which serve only that Unit, as well as telephone lines and apparatus from the point where a line or apparatus serves only that Unit, and cable television lines and apparatus from the point where said lines or apparatus serve only that Unit, no matter where located.

10.2.14 Plumbing (Incoming). The Unit Owner shall maintain all incoming plumbing from (and including) the shutoff valve (at hot water) inward.

10.2.15 Plumbing (Outgoing). The Unit Owner shall maintain outbound plumbing until the point of exit from the Unit boundary. Provided, however, that the Unit Owner is responsible for the remediation of clogged pipes or drains, where the source of blockage or obstruction originates from the Unit, even if the area where the blockage or obstruction is located is outside of the Unit boundary.

Any of the above-described areas that are to be Maintained by the Unit Owner, or by the Association at the expense of the benefiting Unit(s), if located outside of the boundaries of the Unit, are declared Limited Common Elements. Responsibility for Maintenance of Condominium Property may not coincide with obligation for insurance of Condominium Property, nor its repair after Casualty, or damage from covered cause of loss under the Association's applicable insurance policy.

10.3 Balconies. The Unit Owner who owns or has the right to the exclusive use of a balcony is responsible for the Maintenance of: balcony floor coverings (the Board may prohibit certain types of floor coverings, adopt specifications for permissible flooring on balconies, and require the removal of existing coverings when necessary for the structural preservation of a Building); balcony screens and screen frames, storm shutters, impact glass, code-compliant windows or doors, or other types of code-compliant hurricane protection and other enclosures; fixed and/or sliding glass doors and affiliated framing and hardware thereof; the wiring, electrical outlet(s) and fixture(s) on or servicing the balcony; ceiling fans; and the replacement of light bulbs. The Association is responsible for structural Maintenance of balcony floors, ceilings and railings, and also the Building walls enclosed by the balconies. The Owner is responsible for caulking when sliding glass doors are installed. Thereafter, exterior caulking of the sliding glass doors, in connection with the Association's general exterior waterproofing program, and when the sliding glass door is exposed to the elements, is the responsibility of the Association. Unit Owners may not puncture (by nails, hooks, screws or otherwise) balcony floors, walls, or ceilings, without obtaining the prior written approval of the Board. Painting of the walls and ceiling of the balcony in connection with the painting of a Building is the responsibility of the Association.

10.4 Unit Floor Coverings. All Units above the first floor shall always have the floors covered with wall-to-wall carpeting, except in kitchens, bathrooms, balconies, foyers, and utility or laundry rooms, except as provided below. Hard floor surfaces (tile, marble, wood, etc.) may only be installed in areas other than kitchens, bathrooms, balconies, foyers, and utility or laundry rooms, upon prior written approval of the Board, which shall condition its approval on the Unit Owner's proof of the installation of appropriate sound-deadening material. Specifications for sound proofing of hard flooring (wherever located) must be approved in writing by the Board or its representative prior to installation, and then the installed sound proofing must be inspected and approved prior to installation of the hard flooring. The Board has the authority to adopt specifications for minimum sound proofing material that will be approved. Installed floor coverings shall, in all cases, and/or in the absence of any specifications adopted by the Board, meet the standards of the Florida Building Code and then-prevailing industry standards applicable to similar condominium buildings in Monroe County, Florida.

10.5 Unit Owner Obligations in Connection with Maintenance, Repair, and Replacement. In connection with his Maintenance obligations, the Unit Owner has the responsibility to obtain the prior written approval of the Association, through the Board, before performing any Maintenance which requires: changes or alterations to the physical appearance of the Condominium Property visible from any exterior vantage; excavation; access to a Building's

roof; removal, modification or relocation of any interior partitions or walls, whether load-bearing or not; relocation of cabinets or appliances; relocation of utility, plumbing, or electrical installations or fixtures or ductwork; the use of heavy or noisy equipment; such other actions as may cause concern for the peace and safety of the Condominium and its Residents or the aesthetics of the Condominium Property, as determined by the Board. The Association may condition such approval on criteria as the Board deems reasonable, including but not limited to:

- Preservation of uniformity of appearance;
- Use of contractor(s) that are properly licensed and fully insured, and that the Owner will be financially responsible for any resulting damage to Persons or property not paid by the contractor's insurance. Unit Owners are responsible for the actions of their contractors and warrant to the Association, whether or not specifically made a condition of Association approval (or in cases where no Association approval is required) that all Persons coming into the Condominium Property to perform work on or services for the Unit hold all proper licenses, have obtained all proper permits, and carry such insurance as may be required by law or the Board;
- Right (but not duty) of oversight by the Association or its agent;
- The Unit Owner submitting plans as to the scope of the contemplated work;
- Restrictions as to hours and days of work;
- Imposition of time limits in which jobs must be completed and prohibitions against major renovations during certain times of year.
- Restrictions regarding equipment that may be parked or stored on or near the Condominium Property during construction.
- Restrictions regarding the transport and storage of materials and supplies necessary for the construction to be performed.

Unit Owners may not engage in "extensive" remodeling work or "heavy" construction activity, except with prior approval of the Board. "Extensive" remodeling and "heavy" construction shall be as defined or interpreted by the Board from time to time, but whether so defined or interpreted or not, includes, but is not limited to, the following:

- Activities involving the use of power equipment such as jackhammers, drills, saws, and similar equipment, which create substantial noise, dust, or debris, as determined by the Board.

- Activities resulting in the creation of substantial noise that can be heard outside of the Unit, or which create substantial dust or debris, regardless of whether power equipment is used or not, as determined by the Board.
- Activities rendering the Unit uninhabitable during the performance of the work.
- Activities requiring the storage of materials or equipment on the premises outside of the Unit.
- Activities involving the presence of work crews or significant numbers of workers, as determined by the Board.
- Activities requiring the use of scaffolding, booms, or other forms of exterior access.

The Association may, but shall not be obligated to, act as the Owner's agent in obtaining the services of contractors or others to perform Unit Owner Maintenance responsibilities in the event of an emergency, or in non-emergency situations, provided that in non-emergency situations, the Association and the Owner so agree, or absent such agreement when such work is deemed necessary, as determined by the Board, to facilitate projects involving the Association's Maintenance of the Condominium Property. In all such cases, the Unit Owner is deemed to consent to reimbursement of expenses incurred, secured by such rights as exist for collecting Common Expenses under these Condominium Documents through a Lien for Charges. Unit Owners shall at all times be responsible to ensure, whether or not Association approval is required for work being done within the Unit or elsewhere upon the Condominium Property, that all contractors and other Persons performing services for the Unit Owner are properly licensed and insured, including required Worker's Compensation insurance, and that the Condominium Property is kept free from liens and cause no damage to the Condominium Property. The Board has the power (but not the duty) to require proof of licensure; building permits and insurance, and may set standards for insurance as to required coverage, deductibles, or other terms and conditions, and may require the Association to be named as an additional insured under such policies. The Unit Owner shall hold the Association harmless from any claim of any nature arising out of failure to comply with these requirements.

10.6 Modifications, Alterations, or Structural Work by Unit Owners. No Owner may make or permit the making of any modifications or alterations to any portion of his Unit or Boat Slip which will jeopardize the safety or soundness of the Condominium or impair any easement or be visible from the exterior of his Unit or Boat Slip, or in any manner change the appearance of any portion of the Common Elements, undertake any structural work, or undertake any structural modification or alteration, without first obtaining the written consent of the Board, which consent shall be denied if the Board determines that the proposed modifications or alterations would adversely affect, or in any manner be detrimental to, the Condominium in part or whole. "Structural" work, modifications or alterations include, but are not limited to: relocation of existing electrical, plumbing, ductwork, air conditioning or heating installations; relocation of existing fixtures or appliances such as toilets, sinks, tubs, showers, dishwashers,

refrigerators, or ranges; the removal or modification of any partition, door, window or screen; raising ceilings; or relocating kitchen or bathroom cabinetry. For purposes of this provision, the term “structural” work shall also include the addition, removal, or relocation of any ductwork, plumbing line or fixture, any electrical line or fixture, or the removal, modification or creation of any interior partition. Replacement of cabinetry, appliances and fixtures, with substantially equivalent installations in the same location, shall not be deemed “structural” and shall not require approval of the Association, unless a building or other permit is required. Further, “structural” work, modifications or alterations includes any and all work that requires a building permit, an electrical permit, a plumbing permit, a mechanical permit, or similar permit from the appropriate governmental agency, whether or not mentioned above.

The Board may, in circumstances it deems appropriate, and without limiting the right to ask for plans or specifications and other relevant information, require sealed plans from an Architect or Professional Engineer licensed to practice in Florida as a condition of reviewing any requested modification, alteration or addition to the Condominium Property, which requires Board approval, as set forth above. The Board may require, as a condition of review, the Unit Owner’s obligation to pay the Association’s expenses of review, including, but not limited to, legal, engineering or other consultant fees. The Board, in reaching its decision, may take into account uniformity of appearance, compatibility with architecture in Moon Bay, the quality of the proposed alteration, objections of neighboring Residents, and such other criteria as the Board may reasonably adopt in reaching its decision, without limitation. The Board may take into account whether other Unit Owners would be able to make such alterations or modifications, and the effect of the fact that similar requests may need to be approved by the Association. If the Board determines to permit any modification or alteration which is visible from the exterior of the Unit, from any vantage, said modification or alteration must also be approved by the Unit Owners in the manner provided in this Declaration, regardless of the cost or expense of such modification or alteration, provided that the Board may waive the requirement for Unit Owner approval if similar modifications or alterations have been approved by the Association previously, are *de minimus* (as determined in the sole discretion of the Board), or are specifically authorized by the Condominium Documents. If any Unit Owner requests approval of any structural work, modification or alteration, the Association may permit such work, modification or alteration if same would not materially affect or interfere with the Utility Services constituting Common Elements, if any, located therein, the structural integrity of a Building, or create a nuisance or disturbance to neighboring Units.

10.7 Additional Unit Owner Responsibility for Modifications or Alterations. If a Unit Owner (or his predecessors in title) makes, or has made any modifications or alterations to the interior or exterior of the Unit, Common Elements, or Limited Common Elements, the Unit Owner (and his heirs, successors in title and assigns) shall be financially responsible for the Maintenance, care, preservation, or reconstruction of the modification or alteration and shall execute such documents as the Association may promulgate, if any, accepting said financial responsibility. Insurance of modifications or alterations shall be the responsibility of the Unit Owner, except as may otherwise be provided by this Declaration or the Act. Any modification or alteration to the

Condominium Property made by a Unit Owner may be required to be removed in connection with the Association's Maintenance of the Condominium Property. In such cases, the Unit Owner who installed the modification or alteration (and/or their successors in title) shall be obligated to reimburse the Association for any costs affiliated with removal and/or reinstallation of the item, with said obligation being secured by a right of Lien for Charges of equal dignity to the Common Expense lien created by this Declaration, or alternatively, said Owner may be required to remove and reinstall said modification or alteration, if so determined by the Board. Further, the Association, its contractors and agents, shall not be liable for any damage to the item arising out of its removal and/or reinstallation, unless occasioned by the gross negligence or willful misconduct of the Association or its contractor or agent, although the Association may provide for stricter liability standards in contracts with contractors.

10.8 Material Alterations or Substantial Additions by Association. Except as may be provided elsewhere in this Declaration to the contrary, there shall be no Material Alteration or Substantial Addition to the Common Elements or Association Property, which is real property by the Association, except as authorized by the Board. Provided, however, that if any such Material Alteration or Substantial Addition requires or obligates the expenditure of Association funds of more than five percent (5%) of the Association's budget for the fiscal year in which the work is authorized, including reserves, the Board shall obtain approval of at least two-thirds (2/3^{rds}) of the Voting Interests of the Association present (in person or by proxy) and voting at a duly noticed meeting at which a quorum has been attained, or by written agreement of at least two-thirds (2/3^{rds}) of the entire Voting Interests. Necessary maintenance of the Common Elements or Association Property, regardless of the level of expenditure, is the responsibility of the Board and shall require no unit owner approval. Cellular antennae and similar apparatus and apparatus to provide communication or internet services, may be placed on the Condominium Property as authorized by the Board, subject to approval of any other entity that may be required.

10.9 Damage Caused by Conditions of the Condominium Property. Each Unit Owner is liable to the Association and/or other Unit Owners for the expenses of any Maintenance of the Condominium Property, made necessary by his wrongful act, omission, negligence, violation of the Condominium Documents or applicable law, or same by any member of his Family or his or their Occupants, Residents, Guests, Tenants or Invitees. If any condition, defect or malfunction existing within a Unit or Common Elements which the Unit Owner is obligated to insure or Maintain is caused by the Owner's (or his Family member's, Occupant's, Resident's, Guest's, Tenant's or Invitee's) wrongful act, omission, negligence, or failure to comply with the Condominium Documents or applicable law, causes damage to the Common Elements, Association Property, or to other Units, the Owner of the offending Unit shall be liable to the Person or entity responsible for repairing the damaged areas for all costs of repair or replacement not paid by insurance (including the deductible) and without waiver of any insurer's subrogation rights, and without impairing any coverage obligation which may exist as a matter of law or contract, provided that such responsibility shall be conditioned on the Unit(s) which is/are seeking to impose such liability being adequately insured based on local standards and conditions. Further, any claim of a Unit Owner against the Association or another Unit Owner

relative to damage to the Condominium Property, to the extent the Association or other Unit Owner might otherwise be liable pursuant to the Condominium Documents or applicable law, shall be predicated upon the Unit Owner making the claim being adequately insured based on local standards and conditions, whether or not individual Unit Owner insurance is mandated by the Act. Should any Unit Owner fail to maintain such insurance, any claim will be reduced to the extent such Unit Owner's insurance, if obtained pursuant to the above-described standards, would have provided coverage or compensation for the loss and without waiving any other remedy of the Association regarding Unit Owner insurance requirements. The requirement that the individual Unit Owner obtain insurance as a limitation on making third party claims shall not be construed to confer any additional liability or responsibility on the Association or other Unit Owners (without limitation, the Association shall not be obligated to obtain proof of Unit Owner insurance), but is intended to require Unit Owners and the Association to respectively insure risks that are customarily experienced in condominiums located in Florida's coastal communities, condominiums in general, including, but not limited to, damages occasioned by windstorms, hurricanes, tornadoes, floods, rainstorms, bursting pipes, water seepage and leakage, and mold and mildew, regardless of whether such insurance is legally required.

Unit Owners are responsible for the regular inspection of their Units, maintaining appropriate temperature and humidity control to prevent mold, and to promptly report to the Association any damage to the Condominium Property that is visible from within the Unit or its appurtenant Limited Common Elements, or any other conditions which are relevant to the Association's performance of any Maintenance responsibilities required by the Condominium Documents.

In the event any event, condition, or malfunction poses an immediate threat to safety or where damage to a Building must be stopped or mitigated on an emergency basis, the Association may, but is not obligated to, enter Unit(s) without prior notice to the Owner(s) and take reasonable action to mitigate or prevent further damage. Without limitation the Association may take action to stop water discharges and initiate "dry-out" procedures, as agent for the Unit Owner, and at the Unit Owner's expense when portions of the Condominium Property which are the Maintenance responsibility of the Unit Owner are involved, secured by a Lien for Charges.

The Association may, but is not obligated to, repair damage without the prior consent of the Owner in the event of an emergency, and the Owner is responsible for reimbursement of the Association, with the cost being secured by a Lien for Charges.

Unit Owners are required to shut off all water valves when the Unit will be unoccupied on an overnight basis, and failure to do so will create a presumption of negligence.

Unit Owners are also required to ensure that electricity, and if separately metered, water and sewer, are always available to service the Unit. If the Unit Owner fails to maintain Utility Services to the Unit, the Association has, without waiver of other remedies, the right to enter the Owner's Unit and Limited Common Elements and take any and all lawful actions to make the Utility Services available to service the Unit; in which event, the Unit Owner is charged for such activities

(including attorneys' fees incurred by the Association) by the Association which shall be secured by a Lien for Charges.

10.10 Combination of Units. Two (2) or more contiguous Units may, subject to the prior written approval of the Board, be combined into a single living space. The Board may disapprove such request, based upon its discretion, and upon a finding that the proposed combination of Units is not in the best interests of the Association. The Board, as a condition of approving the combination of Units, may require sealed plans from an Architect or Professional Engineer licensed to practice in Florida, certifying to the Association that the proposed work affiliated with the Unit combination complies with all applicable laws, codes, and ordinances. The Board may further require such Professional Engineer's or Architect's certification at the end of the work, certifying that said work has been performed in accordance with the plans and specifications, and in accordance with all applicable laws, codes, and ordinances. The Owner (and his successors in title) shall be required to indemnify and hold the Association and Unit Owners harmless for any claim of any nature arising from the combination of the Units. Should the Board, in its discretion, determine that the Association must retain independent professionals to review the request, including, but not limited to, engineers, architects, or attorneys, the Association may also condition approval of the requesting Unit Owner's agreement to reimburse the Association for said fees and expenses. Units which have been combined shall, after combination, be used only as a "single family" residence (including rental rights) and may not be used as two (2) or more living quarters. Units which have been combined shall constitute two (2) or more Units for purposes of sharing Common Expense, ownership of Common Elements, and voting rights.

10.11 Hurricane Protection. The Board shall adopt specifications for hurricane shutter, impact glass, code-compliant windows or doors, or other types of code-compliant hurricane protection for the Condominium, which includes color, style, and other factors deemed relevant by the Board. All specifications adopted by the Board shall comply with the applicable building code.

Unit Owners are responsible for the operation, and maintenance of hurricane protection on windows and doors (including sliding glass doors) servicing the Unit.

11. ASSESSMENTS AND CHARGES. Assessments against Owners, including Owners of Boat Slips, shall be made by the Board, in the manner provided in the Bylaws and as follows, and shall be borne by the Unit Owners on the basis set forth in Article 6 and elsewhere in these Condominium Documents. The Association has the power to levy and collect Assessments against each Unit and Unit Owner in order to provide the necessary funds for proper operation and management of the Condominium and for the operation of the Association. This power includes both "regular" Assessments for each Unit's share of the Common Expenses or individual Limited Common Expenses (which shall be based upon actual costs to be incurred and not allocated in the manner in which Common Expenses are incurred) as set forth in the annual budget, and "special" Assessments for unusual, nonrecurring or unbudgeted Common Expenses or Limited Common Expenses.

11.1 Liability for Assessments and Charges. A Unit Owner is liable for all Assessments and Charges coming due while he/she is the Unit Owner. Except as provided in Article 10.5, any Person or entity which acquires title to a Unit is jointly and severally liable with their predecessor in title for all unpaid Assessments and Charges against the predecessor for his/her share of the Charges and Assessments, including interest, late fees, attorneys' fees and other costs and expenses of collection incurred by the Association up to the time of the transfer, without prejudice to any right the transferee may have to recover from the transferor the amounts paid by the transferee. The liability for Assessments or Charges may not be avoided by waiver of the use or enjoyment of any Common Elements or by the abandonment of the Unit for which the Assessments or Charges are made.

11.2 Default in Payment of Assessments for Common Expenses or Charges. Assessments and installments thereof not paid within ten (10) days from the date when they are due shall incur a late fee and bear interest from the date first due until paid, in an amount as determined by the Board which, unless otherwise specified, shall be the maximum allowed by law.

The Association has a continuing lien on each Condominium Parcel for any unpaid Assessments (including Special Assessments) and Charges on such parcel, with interest, late fees and for reasonable attorneys' fees, as well as costs and expenses of collection incurred by the Association incident to the collection of the Assessment or enforcement of the lien, including, but not limited to, fees, costs, or expenses incurred in an appeal, in a bankruptcy, in litigating the amount of fees after entitlement thereto has already been determined, and/or in litigating the entitlement to fees. If prohibited by the Act, no lien may be filed by the Association against a Condominium Unit until thirty (30) days after the date on which a notice of intent to file a lien has been delivered to the Owner, pursuant to the Act. The notice of intent to file a lien shall include only those amounts that came due as of the date of said notice. The recorded lien shall include the amounts identified in the notice of intent to file a lien along with any additional Assessments (including Special Assessments) or Charges that may have come due since delivery of said notice of intent to file a lien without having to file a separate lien or send a subsequent notice of intent to file a lien.

11.3 Notice of Intention to Foreclose Lien. So long as required by law, no foreclosure judgment may be entered until at least thirty (30) days after the Association gives written notice to the Unit Owner of its intention to foreclose its lien to collect the unpaid Assessments or Charges. If this notice is not given at least thirty (30) days before the foreclosure action is filed, and if the unpaid Assessments or Charges, including those which have been accelerated (if applicable) and those coming due after the claim of lien is recorded, are paid before the entry of a final judgment or foreclosure, the Association shall not recover attorneys' fees or costs. The notice must be given by delivery of a copy of it to the Unit Owner or by certified mail, return receipt requested, addressed to the Unit Owner at his or her last known address; and, upon such mailing, the notice shall be deemed to have been given. If after diligent search and inquiry the Association cannot find the Unit Owner or a mailing address at which the Unit Owner will receive the notice, the court may proceed with the foreclosure action and may award attorneys' fees and

costs as permitted by law. The notice requirements of this provision are satisfied if the Unit Owner records a Notice of Contest of Lien as provided in the Act. The notice requirements do not apply if an action to foreclose a mortgage on the Unit is pending before any court; if the rights of the Association would be affected by such foreclosure; and if actual, constructive, or substitute service of process has been made on the Unit Owner.

11.4 Attachment of Rental Income when Unit is Delinquent. Notwithstanding any other remedy available to the Association under this Declaration, the Bylaws, or applicable law, the Association has the following options when payment of Assessments or Charges are in default (more than ten days in arrears). The Association may, without order of the Court, direct rental income (by written notice to the Tenant with copy to the Unit Owner) from Units in default to be paid directly to the Association until all outstanding Assessments, Charges, other monetary obligations, interest, late fees, costs, collection expenses, attorneys' fees and receiver's fees, if applicable, are paid in full. As an alternative, the Association may apply to a Court of competent jurisdiction, either in connection with a foreclosure suit, a personal suit, or otherwise, to have rental proceeds paid on account of a Unit in default paid directly to the Association, the court registry, or a receiver, as the Court may direct. The Association may choose any of these courses of action, or other remedies as may be prescribed by law or elsewhere in the Condominium Documents, as the Board deems appropriate, without same constituting a waiver or election of remedies.

11.5 First Mortgagee. The priority of the Association's lien and the obligation for payment of past due Assessments or other sums due in relation to first mortgagees who obtain title as a result of foreclosure or deed in lieu of foreclosure, shall be determined by the Act.

11.6 Certificate of Unpaid Assessments or Charges. Any Unit Owner has the right to require from the Association a certificate showing the amount of unpaid Assessments or Charges against him/her with respect to his/her Unit. The Association, its agents, and counsel are permitted to charge a fee for preparing such information, in amounts established by the Board, or in a management agreement between the Association and a Community Association Management Firm or based on reasonable and customary fees charged by legal counsel.

11.7 Lien for Charges. Except as prohibited by law, there is created by this Declaration a common law and contractual lien to secure payment for any service which the Association provides for an individual Unit Owner or expenses which the Association incurs in regard to a Unit Owner and which are not otherwise secured by the statutory lien for Common Expenses. By way of example, but not limitation, a Lien for Charges exists to secure repayment to the Association when it must remove or reinstall Unit Owner alterations or items of Unit Owner insurance, or Maintenance responsibility in connection with the Association's discharge of its Common Element Maintenance responsibilities, or address emergency situations, such as water extraction from a Unit. The Lien for Charges shall be of equal priority to, shall accrue interest and late fees, and shall be foreclosed in the same manner as the Common Expense lien, including the right to recover attorneys' fees, costs and expenses of collection.

11.8 Liens and Encumbrances against Units. The Association has the right to satisfy any delinquent lien or other security interest against a Unit, including without limitation unpaid ad valorem taxes. The Association has no obligation to satisfy such liens nor ascertain their existence. Prior to paying off a lien against a Unit, the Association shall give the Unit Owner reasonable notice and opportunity to remove the lien. Any such payments made by the Association will be secured by a Lien for Charges.

11.9 Other Remedies. The Board has the authority to impose such other remedies or sanctions permitted by the Act pertaining to non-payment of monetary obligations to the Association. Without limitation, same include suspension of use rights in Common Elements and Association Property; suspension of voting rights; suspension of the right to serve on the Board; the attachment of rental income; denial of lease approval requests; and acceleration.

12. ADMINISTRATION AND MANAGEMENT OF CONDOMINIUM. The administration and management of the Condominium shall be by the Association, which has by and through its Officers and Directors, such powers, authority and responsibilities as are vested in the Officers and Directors of a corporation not-for-profit under the laws of the State of Florida, including, but not limited to, those set forth more specifically elsewhere in the Condominium Documents. The Association has the authority to enter into management and other agreements concerning the matters of common interest through its Officers. The management of the Association and election of the Members to the Board is stated in the Bylaws. Without limiting the foregoing, the Association has the following rights and powers:

12.1 Unit and Limited Common Element Access. The irrevocable right of access to each Unit and its appurtenant Limited Common Elements during reasonable hours as may be necessary for the Maintenance of any Common Elements or of any portion of a Unit to be maintained by the Association pursuant to this Declaration, or as necessary to prevent damage to the Common Elements or to any Unit or Units, or to determine compliance with the terms and provisions of this Declaration, the exhibits annexed hereto, and the Rules and Regulations adopted pursuant to such documents, as the same may be amended from time to time. A pass key or code must be provided by the Unit Owner to the Association for each Unit entry door and any private access areas, and as may be applicable air conditioning or utility room or closet, storage unit, and any secured parking area. The Association may utilize a master key/entry system. In the event that Unit Owner fails to provide a key or other applicable means of access, the Association shall be entitled (but is not obligated) to use all reasonable and necessary efforts to access the Unit or Limited Common Element, including, but not limited to, the hiring of a locksmith or the engagement of local fire and rescue authority; in which case, the Association shall also have the right to charge to the Unit Owner all costs and expenses associated with the Association's attempt to gain access to the Unit, secured by a Lien for Charges. Nothing contained in this section shall in any way obligate the Association to act or impose any additional liability or responsibility on the Association with regard to the access of the Unit or Limited Common Elements. When a Unit Owner must Maintain portions of the Condominium Property, and that activity requires access to another Unit, the Unit Owner has reasonable right of access which

shall be administered through the Association. The Unit Owner upon whose behalf access has been obtained is obligated for the expense of repairing any damage to the Condominium Property, or other property of the Unit Owner or in the Unit accessed.

12.2 Assessments and Charges. The power to make and collect regular Assessments and other Charges against Unit Owners.

12.3 Special Assessments. The power to make and collect Special Assessments against Unit Owners in an amount not to exceed \$2,500 per unit in any calendar year without the approval of the unit owners for any purpose the Board of Directors may deem reasonably necessary. Any special assessment in an amount exceeding \$2,500 per unit in any calendar year requires the approval of a majority of unit owners voting at a meeting at which a quorum is present. No unit owner approval shall be necessary, however, if the special assessment is levied for necessary repair or replacement of the common elements or Association property and/or for emergency purposes, regardless of the amount of the special assessment.

12.4 Delegation. The power to enter into contracts with others, for valuable consideration, for maintenance and management of the Condominium Property and Association Property and in connection therewith, or its Officers, Committees, Management, or other agents, to delegate the powers and rights herein contained, including, without limitation, the making and collecting of Assessments and other Charges against Unit Owners, and perfecting liens for non-payment thereof.

12.5 Regulations. The power to adopt and amend Rules and Regulations regarding the operation of the Association and use, appearance, maintenance, transfer and administration of the Condominium Property and Association Property.

12.6 Acquisition or Transfer of Real or Personal Property; Leasing Common Elements and Association Property. No Unit Owner approval is required in connection with the Association's right of first refusal set forth in this Declaration, nor to dispose of such Unit. No Unit Owner approval is required for the acquisition or disposition of real property necessary, as determined by the Board, to address legal description or survey errors, or boundary or ownership disputes or uncertainties. Without limitation, same include clubhouse/meeting room deposits, use fees and/or clean-up fees; fees for the issuance of parking passes or decals; fees for architectural/engineer review of renovation/alteration plans; contractor damage deposits; and internet service, facsimile service and other services using Association equipment. The Association has no liability in any case for loss of use or inability to inhabit the Condominium Property during work performed by, or at the direction of the Association, when the Board reasonably believes the property cannot be safely occupied or occupied in a manner that would unreasonably impede the work during said period(s) of time. Without limiting the intended generality of the foregoing, the Association has no liability for loss of use, loss of rental income, alternative housing or subsistence expenses, or loss of value.

NOTWITHSTANDING ANYTHING CONTAINED IN THIS DECLARATION OR IN THE CONDOMINIUM DOCUMENTS OR ANY OTHER DOCUMENT GOVERNING OR BINDING THE ASSOCIATION, THE ASSOCIATION SHALL NOT BE LIABLE OR RESPONSIBLE FOR, OR IN ANY MANNER BE A GUARANTOR OR INSURER OF, THE HEALTH, SAFETY OR WELFARE OF ANY OWNER, OCCUPANT OR USER OF ANY PORTION OF THE CONDOMINIUM PROPERTY, INCLUDING, WITHOUT LIMITATION, RESIDENTS AND THEIR FAMILIES, GUESTS, TENANTS, INVITEES OR FOR ANY PROPERTY OF ANY SUCH PERSONS. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING:

12.9.1 IT IS THE EXPRESS INTENT OF THE CONDOMINIUM DOCUMENTS THAT THE VARIOUS PROVISIONS THEREOF WHICH ARE ENFORCEABLE BY THE ASSOCIATION, AND WHICH GOVERN OR REGULATE THE USE OF THE CONDOMINIUM PROPERTY, HAVE BEEN WRITTEN, AND ARE TO BE INTERPRETED AND ENFORCED, FOR THE SOLE PURPOSE OF ENHANCING AND MAINTAINING THE ENJOYMENT OF THE CONDOMINIUM PROPERTY AND THE VALUE THEREOF; AND

12.9.2 THE ASSOCIATION IS NOT EMPOWERED, AND HAS NOT BEEN CREATED, TO ACT AS AN ENTITY WHICH ENFORCES OR ENSURES THE COMPLIANCE WITH THE LAWS OF THE UNITED STATES, STATE OF FLORIDA, MONROE COUNTY, AND/OR ANY OTHER JURISDICTION OR FOR THE PREVENTION OF TORTIOUS OR CRIMINAL ACTIVITIES; AND

12.9.3 ANY PROVISIONS OF THE CONDOMINIUM DOCUMENTS SETTING FORTH THE USES OF ASSESSMENTS WHICH RELATE TO HEALTH, SAFETY AND OR WELFARE SHALL BE INTERPRETED AND APPLIED ONLY AS LIMITATIONS ON THE USES OF ASSESSMENT FUNDS AND NOT AS CREATING A DUTY OF THE ASSOCIATION TO PROTECT OR FURTHER THE HEALTH, SAFETY OR WELFARE OF ANY PERSON(S), EVEN IF ASSESSMENT FUNDS ARE CHOSEN TO BE USED FOR ANY SUCH REASON.

EACH UNIT OWNER AND EACH OTHER PERSON HAVING AN INTEREST IN OR LIEN UPON, OR MAKING ANY USE OF, ANY PORTION OF THE CONDOMINIUM PROPERTY SHALL BE BOUND BY THIS PROVISION AND SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ANY AND ALL RIGHTS, CLAIMS, DEMANDS AND CAUSES OF ACTION AGAINST THE ASSOCIATION ARISING FROM OR CONNECTED WITH ANY MATTER FOR WHICH THE LIABILITY OF THE ASSOCIATION HAS BEEN DISCLAIMED IN THIS PROVISION.

AS USED IN THIS ARTICLE, "ASSOCIATION" INCLUDES WITHIN ITS MEANING ALL OF THE ASSOCIATION'S DIRECTORS, OFFICERS, COMMITTEE MEMBERS AND OTHER PERSONS THE ASSOCIATION MAY BE REQUIRED TO INDEMNIFY, TO THE EXTENT AND LIMIT OF SUCH INDEMNITY, AND WITHOUT WAIVING, REDUCING OR OTHERWISE MODIFYING COVERAGE OBLIGATIONS OR SUBROGATION RIGHTS OF ANY INSURER.

12.10 Disclaimer, Waiver, and Release of Claims Regarding Mold and Mildew. Each Unit Owner acknowledges that the Condominium is located in a hot, humid climate, which is conducive to the growth of mold and/or mildew. The Board has the authority to adopt reasonable Rules and Regulations regarding maximum or minimum temperatures for Units and/or require that the air conditioning to the Units be set within certain temperature and/or humidity ranges and may require Owners to take such further actions as the Board deems advisable to control humidity and mold and/or mildew growth.

The Association is not responsible for the prevention of mold and/or mildew or any damages including, but not limited to, any special or consequential damages, property damages, personal injury, loss of income, emotional distress, death, loss of use, diminution or loss of value of the Unit, economic damages, and adverse health effects relating to, arising from or caused by mold and/or mildew accumulation regardless of the cause of said mold/or mildew. Prevention and remediation of mold within the boundaries of a Unit, or on Common Elements when due to interior Unit conditions or events, is a Unit Owner responsibility.

EACH UNIT OWNER AND EACH OTHER PERSON HAVING AN INTEREST IN OR LIEN UPON, OR MAKING ANY USE OF, ANY PORTION OF THE CONDOMINIUM PROPERTY SHALL BE BOUND BY THIS PROVISION AND SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ANY AND ALL

CLAIMS, OBLIGATIONS, DEMANDS, DAMAGES, CAUSES OF ACTION, LIABILITIES LOSSES AND EXPENSES, WHETHER NOW KNOWN OR HEREAFTER KNOWN, FORESEEN OR UNFORESEEN, THAT SUCH PERSON HAS, OR MAY HAVE IN THE FUTURE, IN LAW OR IN EQUITY AGAINST THE ASSOCIATION, ITS OFFICERS, DIRECTORS, AND COMMITTEE MEMBERS, OR ANY PERSON OR ENTITY THE ASSOCIATION IS OBLIGATED TO INDEMNIFY (AND WITHOUT WAIVING, REDUCING OR OTHERWISE MODIFYING COVERAGE OBLIGATIONS OR SUBROGATION RIGHTS OF ANY INSURER), ARISING OUT OF, RELATING TO, OR IN ANY WAY CONNECTED WITH INDOOR AIR QUALITY, MOISTURE, OR THE GROWTH, RELEASE, DISCHARGE, DISPERSAL OR PRESENCE OF MOLD AND/OR MILDEW OR ANY CHEMICAL OR TOXIN SECRETED THEREFROM.

12.11 Restraint upon Assignment of Shares in Assets. The share of a Unit Owner in the funds and assets of the Association cannot be assigned, hypothecated, or transferred in any manner except as an appurtenance to his/her Unit.

13. INSURANCE. The insurance which shall be carried upon the Condominium Property, including all improvements on the Condominium Property, and all other insurable interests including the Units, Common Elements, and Association Property, shall be as follows:

13.1 Authority to Purchase Insurance. All insurance policies shall be purchased by the Association for the benefit of the Association and the Unit Owners and their mortgagees as their respective interests may appear.

13.2 Coverage. All provisions pertaining to insurance coverage shall be construed in accordance with the Act, and insurance policies purchased by the Association is intended to comply with all coverage requirements of the Act.

13.2.1 Property Insurance. Except as otherwise provided in this Declaration, the Association shall obtain and maintain fire, wind, general property and extended coverage insurance with a responsible insurance company upon the Insurable Improvements of the Condominium, for the replacement value thereof, including coverage for changes in building codes, unless the Board determines that such coverage for changes in building codes is not reasonably available or commercially practicable, and less a commercially reasonable deductible as determined by the Board, provided the Board may exclude landscaping and exterior improvements not customarily insured by condominium associations in the locality, and other customary exclusions such as foundation and excavation costs, in its discretion. The Association shall determine the replacement value of the Insurable Improvements through independent appraisal, at least every thirty-six (36) months, so long as required by the Act. The Board shall establish deductibles, at a duly noticed meeting of the Board, and shall give notice of such meeting, and determine the deductibles, as required by the Act, so long as required by the Act. Notwithstanding the foregoing requirement, the Association, through its Board, will have fulfilled its duty to obtain insurance coverage if it obtains and maintains such insurance coverage as may be reasonably available from time to time given market and economic conditions, provided such coverage shall always meet the minimum level of adequate coverage required by the Act. Unless otherwise required by law, and subject to this Declaration, the Unit Owners are responsible to

insure all alterations, modifications or additions made to the Unit, Limited Common Elements, or Common Elements by said Unit Owner, or his predecessor in interest or title, except insurance of elements previously insured by the Association which have been replaced with code compliant elements, which shall be considered Insurable Improvements, except as may otherwise be provided by law, or except where a master policy purchased by the Association includes coverage for such alterations, modifications, or additions, when the Declaration requires their insurance and when such policies are purchased such required coverage shall be presumed.

13.2.2 Flood. The Association shall use its best efforts to obtain and maintain adequate flood insurance, for replacement value, less a commercially reasonable deductible as determined by the Board, and less foundation and excavation costs if determined by the Board. The Association will have discharged its responsibility to use its “best efforts” to obtain “adequate” flood insurance if it is able to purchase flood insurance up to the limits available through the National Flood Insurance Program (NFIP), or through any similar federally-sponsored or related program, or through private carriers with similar coverage, for premium rates that are generally commensurate with flood insurance premium rates for condominiums in the local area.

13.2.3 Liability Insurance. The Association shall obtain and maintain public liability insurance covering all of the Common Elements and Association Property and insuring the Association and the Unit Owners as their interest may appear in such amount as the Board may deem appropriate. The Board has the authority to compromise and settle all claims against the Association or upon insurance policies held by the Association. The Unit Owners shall have no personal liability upon such claims, except as may be otherwise provided by law, and nothing herein contained shall in any way be construed as imposing upon the Association a duty to assess Unit Owners for the purpose of raising sufficient funds to discharge any liability in excess of insurance coverage.

13.2.4 Fidelity Bond. The Association shall obtain and maintain insurance or fidelity bonding of all Persons who control or disburse funds of the Association. The insurance policy or fidelity bond must cover the maximum funds that will be in the custody of the Association or its management agent at any one (1) time. As used in this paragraph, the term “Persons who control or disburse funds of the Association” includes, but is not limited to, those individuals authorized to sign checks on behalf of the Association, and the President, Secretary, and Treasurer of the Association.

13.2.5 Worker’s Compensation. Such worker’s compensation coverage as may be required by law, or deemed advisable by the Board.

13.2.6 Other Insurance. Such other insurance as the Board may from time to time deem to be necessary, including, but not limited to, Errors and Omissions Officers and Directors Liability insurance coverage and insurance for the benefit of its employees.

13.3 Deductible and Other Insurance Features. The Board shall establish the amount of the deductible under the insurance policies, and other features (including, but not limited to,

exclusions), as it deems desirable and financially expedient, in the exercise of its business judgment, and in the method provided by the Act. The deductible and other features shall be consistent with industry standards and prevailing practice for communities of similar size and age, and having similar construction and facilities in the locale where the Condominium Property is situated.

13.4 Premiums. Premiums upon insurance policies purchased by the Association is paid by the Association as a Common Expense.

13.5 Insurance Shares or Proceeds. Insurance proceeds of policies purchased by the Association covering property losses shall be paid to the Association, and all policies and endorsements thereon shall be deposited with the Association. The duty of the Association is to receive such proceeds as are paid and to hold and disburse the same for the purposes stated herein and for the benefit of the Unit Owners and their mortgagees in the following shares:

13.5.1 Common Elements; Proceeds on Account of Damage to Common Elements. An undivided share for each Unit Owner, such share being the same as the undivided share in the Common Expenses appurtenant to the Unit.

13.5.2 Unit; Proceeds on Account of Damage to Units Shall be Held in the Following Undivided Shares.

13.5.2.1 Surplus. It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs relating to the reconstruction and repair for which the fund is established, such balance shall be distributed in the manner elsewhere stated.

13.5.2.2 Common Elements and Units. When both Common Elements and those portions of the Unit insured by the Association are damaged by a common occurrence, the proceeds of insurance shall be allocated between damage to Common Elements, Limited Common Elements, and Units as the Board shall determine. It shall be presumed that when there are insurance proceeds received on account of a common Casualty or covered cause of loss under the Association's applicable insurance policy, but insufficient proceeds for Casualty or covered cause of loss repair (including, but not limited to, shortfalls occasioned by the existence of a deductible), that such shortfalls shall first be applied to Common Elements damage, and then to damage to Units and Limited Common Elements, it being the intent of this provision that when there is a common Casualty loss or covered cause of loss under the Association's applicable insurance policy causing significant damage to the premises, the shortfalls occasioned by deductibles shall be first apportioned to all Unit Owners in proportion to their share of the Common Elements and not applied first to Unit damage. In situations where the Association receives insurance proceeds for an item which the Act generally requires to be insured by the Owner (by way of example, but not limitation, flood insurance proceeds for cabinetry), the Association may disburse these funds to the Owner and may require such

assurances as the Board determines reasonable, including, but not limited to, the requirement of the signing of a release, and/or an undertaking to perform the work, and/or requirement that the monies will not be released until the work is complete.

13.5.3 Mortgages. In the event that a mortgage endorsement has been issued as to a Unit, the share of that Unit Owner is held in trust for the mortgagee and the Unit Owner as their interests may appear; provided, however, that no mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds.

13.6 Distribution of Proceeds. Proceeds of insurance policies received by the Association is distributed in the following manner:

13.6.1 Reconstruction or Repair. If the damage for which the proceeds are paid is to be repaired or reconstructed, the proceeds shall be paid to defray the cost thereof as elsewhere provided. Any proceeds remaining after defraying such costs shall be distributed to the Unit Owners, or, at the option of the Board, may be deposited in the Association's reserve fund.

13.6.2 Failure to Reconstruct or Repair. If it is determined in the manner elsewhere provided that the damage for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed in accordance with the Plan of Termination approved pursuant to Article 19.

13.7 Association as Agent. The Association is irrevocably appointed agent for each Unit Owner and for each Owner of a mortgage or other lien upon any Unit and for each Owner of any other interest in the Condominium Property or any property in which the Association owns an interest, to adjust all claims arising under insurance policies carried by the Association, and to execute and deliver releases upon the payment of such claim.

14. RECONSTRUCTION AFTER CASUALTY. If any part of the Condominium Property shall be damaged by Casualty or covered cause of loss under the Association's applicable insurance policy, whether or not it shall be reconstructed or repaired shall be determined in the following manner:

14.1 Common Elements. If the damaged improvement is any of the Common Elements, the damaged Common Elements shall be reconstructed or repaired, unless the Condominium is to be terminated as provided elsewhere herein.

14.2 The Buildings .

14.2.1 Lesser Damage. If the damage renders less than 50% of the Units in the Condominium uninhabitable, as determined by the Board or governmental agencies of jurisdiction, the damaged property shall be reconstructed or repaired.

14.2.2 Major Damage. If the damage renders more than 50% of the Units in the Condominium uninhabitable, as determined by the Board or governmental agencies of jurisdiction, the damaged property will be reconstructed or repaired, unless 75% of the entire Voting Interests in the Condominium agree in writing that such reconstruction or repair shall not take place. The decision whether or not to reconstruct or repair shall be made within one hundred eighty (180) days after the Casualty or covered cause of loss under the Association's applicable insurance policy, provided however that the Board has the authority to extend this period for decision-making, not to exceed three (3) years, to deal with exigencies in communication with Unit Owners caused by natural disasters or other significant casualties, or to deal with delays in obtaining information regarding reconstruction costs or insurance proceeds available for reconstruction.

14.2.3 Plans and Specifications. Any reconstruction or repair must be substantially in accordance with the plans and specifications for the original Buildings, as set forth in the plans and specifications for the Buildings, or if not, then according to plans and specifications approved by the Board, regardless of whether it is a Material Alteration or Substantial Addition as described in this Declaration, and no vote of the Unit Owners shall be required.

14.2.4 Definition of "Uninhabitable." For purposes of this Declaration, "uninhabitable" means that the Board has concluded that the Condominium Property which the Association is required to insure cannot be restored to the condition (or a better condition) in which it existed prior to the Casualty or covered cause of loss under the Association's applicable insurance policy through available insurance proceeds, plus a Special Assessment against each Unit Owner not to exceed ten percent (10%) of the average fair market value of the Units prior to the Casualty or covered cause of loss, as determined by the Board. This calculation does not include costs affiliated with those items the Unit Owner is obligated to repair or replace, at the Unit Owner's expense. A governmental agency's declaration or order that the Condominium Property may not be occupied for a defined period of time due to safety concerns shall not conclusively establish that Units are uninhabitable, provided that the Units can be made safe for occupancy pursuant to the standards set forth above. In the event of a dispute as to whether or not Units are "habitable," a resolution enacted by the Board is binding on all parties, unless wholly arbitrary or contrary to law.

14.3 Responsibility. All reconstruction work after a Casualty or covered cause of loss under the Association's applicable insurance policy for damaged items that the Association insures shall be undertaken by the Association, except that a Unit Owner may undertake reconstruction work on portions of the Unit with the prior written consent of the Board. However, such work, and the disbursement of insurance proceeds, may be conditioned upon the approval of the repair methods, the qualifications of the proposed contractor, the contract that is used for that purpose, and reasonable verification of appropriate steps to ensure that the work is done and that the contractor is paid for the performance of said work. Unit Owners shall be responsible for reconstructing those items that the Unit Owners are required to insure. All

required governmental permits and approvals must be obtained prior to commencing reconstruction. Assessments for the cost of the work shall be set forth in Article 13.5 below.

14.4 Estimates of Costs. After a determination is made to rebuild or repair damage to property for which the Association or Unit Owner has the responsibility of reconstruction and repair, the Association or Unit Owner shall promptly obtain reliable and detailed estimates of the cost to rebuild or repair.

14.5 Assessments. The cost of reconstruction after Casualty for those portions of the Condominium Property required to be insured by the Association is considered a Common Expense, pursuant to Section 718.111(11)(j) of the Act, except as provided elsewhere, including, but not limited to, Section 718.111(11)(n) of the Act.

14.6 Damage Caused by Wear and Tear of the Condominium Property or Uninsurable Loss. Damage to the Condominium Property that is not caused by a Casualty, or covered cause of loss under the Association's applicable insurance policy, shall be repaired or replaced in accordance with the provisions of this Declaration and shall not be subject to this Article.

14.7 Termination of Condominium if Not Reconstructed. If the Owners vote not to reconstruct the Condominium by vote described herein, the Condominium shall be terminated in accordance with the procedures set forth in this Declaration.

14.8 Additional Board Authority. In addition to Board authority granted by law and the Condominium Documents, the Board has the following power and authority in connection with emergency conditions:

14.8.1 To determine after a Casualty whether the Units can be safely occupied, which decision shall not be conclusive as to the determination of habitability in this Declaration. Such decision shall be based upon the advice of emergency management officials or a licensed professional.

14.8.2 To declare any portion of the Condominium Property or Association Property unavailable for occupancy by Owners, Family members, Tenants, or Guests after a Casualty, including during the rebuilding process. Such decision by the Board is based upon the advice of emergency management officials or a licensed professional (such as an engineer) and can be made only if necessary to protect the health, safety, or welfare of the Association, Owners, Family members, Tenants, or Guests.

14.8.3 To mitigate damage and take action to prevent the spread of fungus (including, but not limited to, mold and mildew) by tearing out wet drywall and carpet (even if the Unit Owner is obligated to insure and/or replace those items) and to remove personal property from the Unit and dispose of damaged property or store such property on-site or at an offsite location, with Owners responsible for reimbursing the Association for items for which the

Owner is responsible but which may be necessary to prevent further damage. The Association bears no liability for such actions, if taken in good faith.

14.8.4 To contract on behalf of Unit Owners, with said Owners responsible to reimburse the Association, for items for which the Owner is responsible but which may be necessary to prevent further damage. Without limitation, this includes debris removal, dry-out of Units and replacement of damaged air conditioners when necessary to provide climate control in the Units. The Unit Owner is responsible to reimburse the Association within ten (10) days of the Association's invoice. The Association's right to payment shall be secured by a Common Expense Lien as provided in the Act and actions to collect such sums shall entitle the Association to recover interest, late fees, attorneys' fees, and other costs and expenses of collection.

14.8.5 To implement a disaster plan prior to, during or after an impending disaster including, but not limited to, shutting down elevators, electricity, security systems, and air conditioners.

14.8.6 To adopt, by Board action, emergency assessments with such notice deemed practicable by the Board.

14.8.7 To adopt emergency Rules and Regulations governing the use and occupancy of the Units, Common Elements, Limited Common Elements, and Association property, with notice given only to those Directors with whom it is practicable to communicate.

14.8.8 To enter into agreements with local counties and municipalities to assist counties and municipalities with debris removal.

14.8.9 To exercise all emergency powers set forth in the Act.

15. OWNERSHIP AND USE RESTRICTIONS. Ownership and use of Condominium Property shall be in accordance with the following use restrictions and reservations:

15.1 Occupancy of Units; Single Family Residence. A Condominium Unit shall be used only as a Single Family residence. No more than two (2) Persons per bedroom plus two (2) may reside in a Unit. No more than two (2) Persons per bedroom plus four (4) (including Unit Owners, Tenants, Residents, their Families, Guests or any other Occupants) may sleep overnight in a Unit. No Unit may be divided or subdivided into a smaller Unit nor any portion sold or otherwise transferred. Units may not be used for commercial or business purposes. Unit Owners and Occupants may use Units for "home office" or "telecommuting" purposes, provided that such uses do not involve customers or clients coming onto the Condominium Property, the posting of any signage in the Condominium, the storage of equipment, products, or materials in the Condominium, nor more than two (2) regular deliveries per day of correspondence or similar items from customary express delivery services.

15.2 Nuisance. The Condominium Property shall not be used for any immoral, improper or unlawful purpose and no use or behavior shall be allowed which will create a public or private nuisance, nor which shall unreasonably interfere with the quiet possession or enjoyment of the Condominium Property, nor which becomes a source of annoyance to the Condominium Residents, which will increase insurance rates, or which will negatively affect the value of Units. All property shall be kept in a neat and orderly manner. The Common Elements shall be used for the purpose of furnishing services and facilities as herein provided for the welfare and enjoyment of the Residents. The Condominium Property shall be used in accordance with all federal, state, and local laws and ordinances.

15.3 Boat Slips. Each Boat Slip shall be used solely for purposes of non-commercial boat dockage and purposes incidental thereto. The Association may promulgate such Rules and Regulations pertaining to the use of Boat Slips as it, in its sole discretion deems necessary or desirable.

15.4 Pets: Unit Owners and Occupants shall be permitted to keep pets as follows:

15.4.1 Types and amounts:

15.4.1.1 Each unit may keep no more than 2 dogs up to 60 pounds each or 2 cats or 1 dog of up to 60 pounds and one house cat.

15.4.1.2 Units may keep fish aquariums, as may be appropriate for a Unit in a condominium.

15.4.1.3 Units may keep no more than 2 quiet birds.

15.4.2 Any pet must conform with and be licensed as may be required by the local animal control and health codes

15.4.3 Pets must be kept on leashes and in control of their owner/handler whenever in the common element areas.

15.4.4 Pets are not allowed in the pools, pool decks, sun decks or clubhouse.

15.4.5 Pets may not constitute a nuisance.

15.4.6 The Board of Directors shall have the right to promulgate and enforce additional rules and regulations it deems appropriate to prevent the abuse of the pet privilege by those Unit Owners and Occupants having pets.

15.4.7 Any pet causing or creating a nuisance, in the sole discretion of the Board of Directors, or a disturbance shall be permanently removed from the Condominium Property forthwith upon written notice from the Board of Directors of the Association, acting through one of the duly elected Officers of the Association.

15.5 Lawful Use. No immoral, improper, offensive, or unlawful use shall be made of the Condominium Property nor any part thereof and all laws, zoning ordinances, and regulations of all governmental bodies having jurisdiction thereof shall be observed. The responsibility of

meeting the requirements of governmental bodies which require maintenance, modification or repair of the Condominium Property shall be the same as the responsibility for the maintenance and repair of the property concerned.

15.6 Leasing or Renting. The owner of any Condominium Unit is permitted to lease his Unit, except that any such lease shall not relieve the Unit Owner of his obligations as provided in the Condominium Documents. The lessee need not be approved by the Condominium Association; however, all such lessees must execute those documents which the Association may reasonably require in order to insure that the rights of other Unit Owners shall not be derogated during the term of the lease and, also, to assume and agree to be bound by the Condominium Documents during the terms of their tenancy. Any Owner leasing or renting his Unit shall promptly notify the Board of Directors of the names of the persons occupying said Condominium Unit.

15.7 Commercial Usage. No condominium unit, or boat slip, whether owned or leased, may be used to conduct any trade or business, the conduct of which would require the license of certification from any Municipal, County, State or Federal agency or licensing authority. Notwithstanding any other provision in this Article the rental or leasing of a condominium unit by an owner shall not be deemed a commercial usage.

15.8 Additional Restrictions. Additional use, occupancy, maintenance, transfer and other restrictions are contained in the Rules and Regulations, which may be amended from time to time by the Board. Amendments to the Rules and Regulations may, but need not be, recorded in the Public Records. Additional use, transfer and other restrictions are also contained elsewhere in the Condominium Documents.

16. LEASING. The lease of a Unit is defined as occupancy of the Unit by any Person other than the Unit Owner, whether pursuant to verbal or written agreement, where said occupancy by the non-owner involves consideration (the payment of money, the exchange of goods or services, or any other exchange of value). The term "leasing" and "renting" are used interchangeably in this Declaration. The term "Tenant" and "Lessee" are likewise used interchangeably.

16.1 All leases must be in writing. Should a Unit Owner wish to lease his Unit, he shall furnish the Association with the names of all occupants under the lease. The unit owner is responsible for obtaining any required licenses or permits for such lease and for paying all required taxes, fees or other monies levied by any federal, state or local governing authority in connection with such lease. No individual rooms may be rented. "Rent-sharing" and subleasing are prohibited. All leases shall be for a minimum period of seven (7) continuous days. No Unit Owner, nor anyone on their behalf, shall publish or cause to be published any advertisement of any type in any form of media, including, but not limited to, television, radio, internet website, newspaper, magazine, or trade publication, that indicates that a Unit may be leased for anything less than the minimum period of seven (7) continuous days. **Tenant Conduct; Remedies.** All leases shall be on a uniform form of lease or lease addendum if so promulgated by the Association. Uniform leases, addenda and all other leases will provide, or be deemed to

provide, that the Tenants have read and agreed to be bound by the Condominium Documents. The uniform lease or addendum and other leases shall further provide, or be deemed to provide, that any violation of the Condominium Documents shall constitute a material breach of the lease and subject the Tenant to termination of the lease and/or eviction as well as any other remedy afforded by the Condominium Documents or Florida law.

16.8 If a Tenant, Resident, other Unit Occupant, Guest or Invitee fails to abide by the Condominium Documents, the Unit Owner(s) shall be responsible for the conduct of the Tenants, Residents, Occupants, Guests or Invitees and shall be subject to all remedies set forth in the Condominium Documents and Florida law, without waiver of any remedy available to the Association as to the Tenant. The Unit Owner has the duty to bring his Tenant's conduct (and that of the other Unit Residents, Occupants, Guests or Invitees) into compliance with the Condominium Documents by whatever action is necessary, including without limitation the institution of eviction proceedings without notice to cure, where legally permissible. If the Unit Owner fails to bring the conduct of the Tenant into compliance with the Condominium Documents in a manner deemed acceptable by the Association, or in other circumstances as may be determined by the Board, the Association has the authority to act as agent of the Unit Owner to undertake whatever action is necessary to abate the Tenants' noncompliance with the Condominium Documents (or the noncompliance of other Residents, Occupants, Guests or Invitees), including without limitation the levying of fines and the right to terminate a lease and/or institute an action for eviction against the Tenant in the name of the Association in its own right, or as agent of the Unit Owner. The Association has the right to recover any costs or fees, including attorneys' fees, incurred in connection with such actions, from the Unit Owner which shall be secured by a continuing lien in the same manner as assessments for Common Expenses, to wit, secured by a Lien for Charges. Any uniform lease or lease addendum will provide, and all leases will be deemed to provide, that the Association has the authority to direct that all rental income related to the Unit be paid to the Association until all past due and current obligations of the Association have been paid in full, including, but not limited to, all past due Assessments, Charges, other monetary obligations, late fees, interest, attorneys' fees and cost and expenses of collection.

17. APPROVAL OF SALES AND TITLE TRANSFERS. In order to maintain a community of congenial Unit Owners who are financially responsible, and thus protect the value of the Units, the use and transfer of Units by any Owner is subject to the following provisions as long as the Condominium exists upon the land, which provisions each Unit Owner covenants to observe:

17.1 Forms of Ownership.

17.1.1 Ownership by Individuals. A Unit may be owned by one (1) or more natural persons who have qualified and been approved as elsewhere provided herein.

17.1.2 Ownership by Corporations, Partnerships, Limited Liability Companies, Trusts, or Other Artificial Entities. A Unit may be owned in trust, or by a corporation, partnership, limited liability company, or other entity, which is not a natural person, if approved in the manner

provided elsewhere herein. The intent of this provision is to allow flexibility in estate, financial, or tax planning, and not to create circumstances in which the Unit may be used as a short-term or transient accommodations for several entities, individuals or families as a timeshare, a shared Unit, fractional ownership, or used as Guest accommodations for employees, customers, or Guests of Units owned by business entities, religious, or charitable organizations, and the like. The approval of a partnership, trustee, corporation, limited liability company, or other entity as a Unit Owner is conditioned upon designation by the Owner of one (1) natural person to be the "Primary Occupant." As a condition of approval of a transfer to such entity, the Board may require a personal guarantee from the Primary Occupant or other Person acceptable to the Board for payment of all Assessments, Charges, and other monetary obligations (including, but not limited to, use fees and fines) and for the liabilities affiliated with compliance with the Condominium Documents, including, but not limited to, damages and awards of prevailing party attorneys' fees. The Primary Occupant shall be the Person entitled to vote on behalf of the Unit, exercise rights of membership, and discharge the responsibilities incident thereto. Any change in this Primary Occupant shall be treated as a transfer of ownership by sale or gift subject to the provisions of the Condominium Documents. Any new Primary Occupant shall be subject to review and approval by the Association in the same manner as a transfer of title.

17.1.3 Life Estate. A Unit may be subject to a life estate, either by operation of law or by a voluntary conveyance approved as provided below. In that event, the life tenant shall be the only Member from such Unit, and occupancy of the Unit shall be as if the life tenant were the only Owner. Upon termination of the life estate, the holders of the remainder interest shall have no occupancy right unless separately approved by the Association. The life tenant shall be liable for all Assessments and Charges against the Unit. Any vote, consent or approval required by the Condominium Documents or law may be given by the life tenant alone, and the vote, consent or approval of the holders of the remainder interest shall not be required. If there is more than one (1) life tenant, they shall be treated as co-owners for purposes of determining voting and occupancy rights.

17.2 Transfers Subject to Approval.

17.2.1 Sale or Other Transfer. No Unit Owner may dispose of a Unit or any interest in same by sale or other title transfer without prior written approval of the Board. No Unit Owner may dispose of a Unit or any interest therein by other means (including agreement for deed, installment sales contract, lease-option, or other similar transactions) without prior written approval by the Board. Review and approval of transfer applications may be delegated to an Officer, a Committee, or an agent, provided that approval of a transfer shall not be denied, unless approved by a majority of the Board.

17.2.2 Gift. If any Unit Owner is to acquire his title by gift, his ownership of his Unit shall be subject to the prior approval of the Board. Notice must be given at least fifteen (15) days prior to the intended closing or title transfer date.

17.2.3 Devise or Inheritance. If any Person shall acquire his title by devise, inheritance or through other succession laws, the continuance of his ownership of his Unit shall be subject to the approval of the Board.

17.2.4 Other Transfers. If any Unit Owner shall acquire his title by any manner not considered in the foregoing subsections, the continuance of his ownership of such Unit shall be subject to the approval of the Board. If any Person acquires title in any manner not considered in the foregoing subsections, that Person has no right to occupy or use the Unit before being approved by the Board under the procedures outlined below.

17.3 Approval by Association. The approval of the Association that is required for the transfer of ownership of Units shall be obtained in the following manner:

17.3.1 Notice to Board of Directors.

17.3.1.1 Sale or Other Transfer. A Unit Owner intending to make a bona fide sale or other title transfer of his Unit or any interest in it, including gifts, transfers to artificial entities, and the grant of partial estates, shall give to the Board notice of such intention, together with the name and address of the intended grantee, an executed copy of the purchase contract and its exhibits, or other documentation evidencing the transfer and such other information concerning the intended grantee and the transaction as the Board may reasonably require. The Board may require, without limitation, credit history, a criminal background investigation, past residency or employment verification, personal references, and a personal interview with the purchaser(s) and all proposed Unit Occupants.

17.3.1.2 Devise or Inheritance. A Unit Owner who has obtained his title by devise or inheritance, or operation of succession laws, shall give to the Board notice of the acquiring of his title, together with such information concerning the Unit Owner as the Board may reasonably require (including that set forth in Article 17.3.1.1), and a certified copy of the instrument evidencing the Owner's title.

17.3.1.3 Failure to Give Notice. If the above-required notice to the Board is not given, then at any time after receiving knowledge of a transaction or event transferring ownership or possession of a Unit, the Board at its election and without notice may approve or disapprove the transaction or ownership. If the Board disapproves the transaction or ownership, the Board shall proceed as if it had received the required notice on the date of such disapproval.

17.3.2 Approval by Association.

17.3.2.1 Sale or Other Title Transfer. If the proposed transaction is a sale or other prospective title transfer, then within fifteen (15) days after receipt of such notice and information, including a personal interview if requested by Board, the Board must either approve or disapprove the proposed transaction.

17.3.2.2 Devise or Inheritance. If the Unit Owner giving notice has acquired his title by devise, inheritance, or through succession law, then within fifteen (15) days after receipt of such notice and information, including a personal interview if requested by the Board, the Board must either approve or disapprove the continuance of the Unit Owner's ownership of his Unit.

17.3.2.3 Approval of Occupant. If the grantee is a corporation, partnership, trust, limited liability company, other entity, or more than one (1) individual who are not spouses, the approval of ownership by the corporation, partnership, trust, other entity, or multiple Persons shall be conditioned upon approval of a Primary Occupant.

17.4 Disapproval by Board of Directors. If the Board shall disapprove a transfer or continuance of ownership of a Unit, the matter shall be disposed of in the following manner:

17.4.1 Sale or Other Arms-Length Transaction to Bona Fide Third Party. If the proposed transaction is a sale or other arms-length transfer to a bona fide third party purchaser, and has been disapproved without good cause, then within fifteen (15) days after receipt of such notice and information, the Association shall deliver or mail by certified mail to the Unit Owner an agreement to purchase the Unit concerned by a purchaser approved by the Board, or the Association itself, who will purchase and to whom the Unit Owner must sell the Unit upon the following terms:

17.4.1.1 At the option of the Association to be stated in the agreement, the price to be paid shall be that stated in the disapproved contract to sell or shall be the fair market value determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two (2) appraisers, one (1) of whom shall be appointed by the Unit Owner and the other of whom shall be appointed by the Association, who shall base their determination upon an average of their appraisals of the Unit; and a judgment of specific performance of the sale upon the award rendered by the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be shared by the parties.

17.4.1.2 The purchase price shall be paid in cash. The sale shall be closed within thirty (30) days after the delivery or mailing of the agreement to purchase, or within ten (10) days after the determination of the sale price if such is by arbitration, whichever is the later. If the Association shall fail to itself purchase the Unit, or provide a purchaser, or if a purchaser furnished by the Association or the Association shall default in his/their agreement to purchase, then notwithstanding the disapproval, the proposed transaction shall be deemed to have been approved, and the Association shall furnish a certificate of approval.

17.4.2 Gifts; Devise; Inheritance; Familial Transfers. If the Unit Owner giving notice has acquired or will acquire his title by gift, devise, inheritance, or succession laws or in any other manner, and if the Board wishes to disapprove the transfer or continuance of ownership without good cause, then within fifteen (15) days after receipt from the Unit Owner

of the notice and information required to be furnished, the Association shall deliver or mail by certified mail to the Unit Owner an agreement to purchase the Unit concerned by a purchaser approved by the Board (including the Association itself) who will purchase and to whom the Unit Owner must sell the Unit upon the following terms:

17.4.2.1 The sale price shall be the fair market value determined by agreement between the grantor and grantee within fifteen (15) days from the delivery or mailing of such agreement. In the absence of agreement as to price, or where transfers are made for less than bona fide value, the price shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two (2) appraisers, one (1) of whom shall be appointed by the Association and the other of whom shall be appointed by the Unit Owner, who shall base their determination upon an average of their appraisals of the Unit; and a judgment of specific performance of the sale upon the award rendered by the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be shared by the parties.

17.4.2.2 The purchase price shall be paid in cash. The sale shall be closed within ten (10) days following the determination of the sale price. If the Association shall fail to purchase the Unit or provide a purchaser, or if the Association or a purchaser furnished by the Association shall default in his/their agreement to purchase, then notwithstanding the disapproval, such transfer ownership shall be deemed to have been approved, and the Association shall furnish a certificate of approval as elsewhere provided.

17.4.3 Disapproval for Good Cause. Disapproval of title transfers or the continuation of ownership pursuant to this Article shall be made by the Board if it is determined that the potential Unit Owner does not facially qualify for membership in the Association, or if the proposed transaction will result in a violation of the Condominium Documents. Only the following may be deemed to constitute good cause for disapproval on the grounds that the proposed purchaser does not facially qualify for membership in the Association or the proposed transaction will result in a violation of the Condominium Documents:

17.4.3.1 The application for approval on its face, or subsequent investigation thereof, indicates that the Person seeking approval (which shall hereinafter include all proposed Occupants or Residents) intends to conduct himself in a manner inconsistent with the Condominium Documents;

17.4.3.2 The Person seeking approval has been convicted of, pled no contest to, or has been released from incarceration, probation or community control for:

(a) a capital, first or second degree felony involving violence to Persons within the past ten (10) years; or

(b) a first or second degree felony involving illegal drugs within the past ten (10) years; or

(c) any drug offense involving the manufacture and/or distribution of illegal drugs regardless of when that conviction, plea or release occurred; or

(d) a felony involving sexual battery, sexual abuse, or lewd and lascivious behavior regardless of when that conviction, plea or release occurred;

17.4.3.3 The Person seeking approval has been labeled a sexual offender or a sexual predator by any governmental or quasi-governmental agency regardless of when that label occurred;

17.4.3.4 The Person seeking approval is currently on probation or community control for a felony involving violence to another or damage to or theft of property;

17.4.3.5 The Person seeking approval has a record of financial irresponsibility, including without limitation prior foreclosures or bad debts such that the Board reasonably concludes that the applicant is unable to meet his financial obligations to the Association;

17.4.3.6 The Person seeking approval failed to provide the information, fees or appearance required to process the application in a timely manner, or has made material misstatements or withheld material/information during the application process; or

17.4.3.7 All Assessments and other Charges against the Unit have not been paid in full, unless the Association has reasonable assurances that said amounts will be paid out of the closing proceeds.

If the Board disapproves a transfer for good cause, the Association has no duty to purchase the Unit or furnish an alternate purchaser, and the transaction shall not be made, or if made, shall be rescinded in the manner determined by the Board. The conduct of background investigations and the extent of such investigation, if any, shall be as determined by the Board in its discretion.

17.5 Transfer Fee. The Association may charge a processing fee for the approval of transfers of title. The fee may not exceed the maximum permitted by law per transaction. The Association or its authorized agent may also charge a reasonable fee for the preparation of a certificate, commonly known as an estoppel certificate, stating all assessments and other monies owed to the Association by the Unit Owner with respect to the Condominium Parcel. The fee for the preparation of such certificate shall be established by a written resolution of the Board or provided for in a management, bookkeeping, or maintenance contract.

17.6 Exceptions. The foregoing provisions of this Article, entitled "Approval of Sales and Title Transfers," shall not apply to a transfer to or purchase by a bank, life insurance company, savings and loan association, or other bona fide mortgagee that acquires its title as the result of owning a purchase money first mortgage upon the Unit concerned; this shall be so whether the

title is acquired by deed from the mortgagor or through foreclosure proceedings. Further exempt shall be purchasers at tax deed sales, judicial sales, and governmental levies. However, a transferee from a first mortgagee or other exempt acquirer of title shall be required to be approved by the Association as a condition of ownership and holding title to a Unit.

17.7 Unauthorized Transactions. Any sale, lease, mortgage or other transfer of ownership or possession not authorized pursuant to the terms of this Declaration shall be void unless subsequently approved by the Association.

18. BOAT SLIPS

18.1 Ownership Rights. At the time of the establishment of the Condominium, there were also sixty-four (64) Boat Slips submitted to Condominium ownership. There shall be attributed to each Boat Slip an undivided share of the Common Elements as set forth in Exhibit "A - 1". The Owner of each Boat Slip shall be responsible for the payment of all of those Common Expenses attributable to such Boat Slip as set forth therein. Further, the Owner of each Boat Slip shall be subject to the same assessment, collection and lien procedures for Common Expenses attributable to Boat Slips as for Common Expenses attributable to Condominium Units. The ownership of a Boat Slip shall not entitle the owner thereof to an additional vote in the affairs of the Condominium Association, nor shall such ownership increase the vote which a Unit Owner would, otherwise have in affairs of the said Association.

18.2 Boundaries. Each Boat Slip shall include that 10 x 30 foot area lying within and extending to the center line of each of the two wood mooring piles on either side thereof extending from and parallel to the wood, shoreline dock, together with the submerged land thereunder and together with an easement for the use of the air space occupied by the Boat Slip as it exists at any particular time, which easement shall be terminated automatically in any air space which is permanently vacated.

18.3 Ingress and Egress. The ownership of each Boat Slip shall include and there shall pass with each Boat Slip as appurtenances thereto, easements through the Common Elements for ingress and egress, to and from the marina area and the Boat Slips.

18.4 Transfer and Conveyance of Boat Slips. The lease, conveyance and method of transfer of Boat Slips shall be accomplished in the same manner as provided in this Declaration for the transfer of Units except that Boat Slips may only be leased to another Unit Owner or lawful Unit resident and Boat Slips may only be conveyed or transferred to another Unit Owner. The intent is that Boat Slips be used by Unit Owners or lawful Unit residents only, and not be leased or sold to persons who do not have a legal right to a Unit during the time they will be using the Boat Slip.

18.5 Maintenance. Each owner of a Boat Slip shall be responsible for maintaining in good condition and repair his Boat Slip and appurtenances thereto. All remaining portions of the Marina Area, not specifically identified and described as a Boat Slip, including without limitation, the wood or concrete dock parallel and adjacent to the shoreline and the wood dock extensions perpendicular thereto, and all electrical outlets servicing said area, if any, shall be maintained, repaired and replaced at the Association's expense. No Boat Slip Owner shall, without first obtaining the prior written approval of the Association, make any alteration or addition in or to any portion of his Boat Slip or of the Condominium. Property, or remove any portion thereof, or make any addition thereto, or do any work which would jeopardize the safety and soundness of the Marina Area, any adjoining Boat Slip, the Condominium Property or impair any easement. .

19. METHOD OF AMENDMENT OF DECLARATION. Except as elsewhere provided otherwise, this Declaration may be amended in the following manner:

19.1 Proposal of Amendments. An amendment may be proposed by the President of the Association, the Directors, or by twenty-five percent (25%) of the entire Voting Interests.

19.2 Proposed Amendment Format. Proposals to amend the existing Declaration of Condominium shall contain the full text of the article to be amended. New words shall be underlined and words to be deleted shall be ~~lined through~~. If the proposed change is so extensive that this procedure would hinder rather than assist understanding, a notation must be inserted immediately preceding the proposed amendment saying, "SUBSTANTIAL REWORDING OF DECLARATION OF CONDOMINIUM. SEE ARTICLE NUMBER ____ FOR PRESENT TEXT."

19.3 Notice. The subject matter of proposed amendments shall be included in the notice of any meeting at which a proposed amendment is to be considered or in connection with documentation for action without a meeting.

19.4 Adoption of Amendments. A resolution for the adoption of a proposed amendment may be adopted by a vote of at least a majority of the Voting Interests of the Association , or by the written agreement of at least a majority of the entire Voting Interests. Amendments correcting errors, omissions, scrivener's errors, violations of applicable law, conflicts between the Condominium Documents, or if determined necessary and desirable by the Board to comply with the requirements of the secondary mortgage market, may be executed by the Officers of the Association, upon Board approval, without need for Association membership vote. The Board may also adopt amendments necessary to comply with the requirements of any governmental entity.

19.5 Effective Date. An amendment when adopted shall become effective after being recorded in the Public Records of Monroe County, Florida, according to law.

19.6 Automatic Amendment. Whenever the Act, Chapter 617, Florida Statutes, or other applicable statutes or administrative regulations, as amended from time to time, are amended to impose procedural requirements less stringent than set forth in this Declaration, the

Board may operate the Association pursuant to the less stringent requirements without the need to change this Declaration. The Board, without a vote of the Owners, may also adopt by majority vote, amendments to this Declaration as the Board deems necessary to comply with such operational changes as may be enacted by future amendments to Chapters 607, 617, and the Act, or such other statutes or administrative regulations as required for the operation of the Association, all as amended from time to time.

19.7 Proviso. No amendment shall change the configuration of any Unit or the share in the Common Elements appurtenant to it, or increase the Owner's proportionate share of the Common Expenses, unless the record Owner of the Unit concerned and all record Owners of the mortgages on such Unit shall join in the execution of the amendment, and all other Unit Owners approve the amendment.

20. TERMINATION. The Condominium may be terminated under any one (1) of the following alternatives:

20.1 Optional Termination. The condominium form of ownership may be terminated by agreement of 100% percent of the total Voting Interests of the Condominium and their Institutional Mortgagee.

20.2 Mortgage Lienholders. Notwithstanding any provision to the contrary in this Declaration or the Act, approval of a plan of termination by the holder of a recorded mortgage lien affecting a Condominium Parcel is not required unless the plan of termination would result in less than the full satisfaction of the mortgage lien affecting the Condominium Parcel. If such approval is required and not given, a holder of a recorded mortgage lien who objects to a plan of termination may contest the plan as provided in Section 718.117(16) of the Act.

21. CONDEMNATION.

21.1 Awards. The taking of all or any part of the Condominium Property by condemnation or eminent domain shall be deemed to be a Casualty to the portion taken, and the awards for that taking shall be deemed to be proceeds from insurance on account of the Casualty. Even though the awards may be payable to Unit Owners, the Unit Owners shall deposit the awards with the Association, and if any fail to do so, a Special Assessment shall be made against a defaulting Unit Owner in the amount of this award, or the amount of the award shall be set off against any sums payable to that Owner.

21.2 Determination Whether to Continue Condominium. Whether the Condominium will be continued after condemnation will be decided in the same manner as repair after Casualty as set forth in Article 13.

21.3 Distribution of Funds. If the Condominium is terminated after condemnation, the proceeds of all awards and Special Assessments will be owned and distributed in the manner provided for insurance proceeds when the Condominium is terminated after a Casualty. If the

Condominium is not terminated after condemnation, the size of the Condominium may be reduced. The Owners of condemned Units, if any, will share in awards and Special Assessments as provided below.

21.4 Association as Agent. The Association is hereby irrevocably appointed as each Unit Owner's attorney-in-fact for purposes of negotiating or litigating with the condemning authority for the purpose of realizing just compensation for the taking.

21.5 Units Reduced but Habitable. If the taking reduces the size of a Unit and the remaining portion of the Unit can be made habitable, the awards for the taking of a portion of that Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium:

21.5.1 Restoration of Unit. The Unit shall be made habitable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be assessed against the Owner of the Unit.

21.5.2 Distribution of Surplus. The balance of the award, if any, shall be distributed to the Owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the Owner and mortgagee(s).

21.5.3 Adjustment of Shares in Common Elements. If the floor area of a Unit is reduced by the taking, the number representing the share in the Common Elements appurtenant to the Unit shall be reduced in the proportion by which the floor area of the Unit is reduced by the taking, and then the shares of all Unit Owners in the Common Elements shall be restated as percentages of the total of the numbers representing their original shares as reduced by the taking.

21.6 Units Not Habitable. If the taking of any entire Unit or so reduces the size of the Unit that it cannot be made habitable, the award for the taking of the Unit shall be used for the following purposes in the order stated, and the following changes shall be effectuated in the Condominium:

21.6.1 Payment of Award. The condemnation award immediately prior to the taking shall be paid to the Owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the Owner and mortgagee(s).

21.6.2 Addition to Common Elements. If possible and practical, the remaining portion of the Unit shall become a part of the Common Elements and shall be placed in condition for use by all Unit Owners in the manner approved by the Board.

21.6.3 Assessments. If the amount of the award for the taking is not sufficient to pay the fair market value of the condemned Unit to the Unit Owner and to recondition the remaining portion of the Unit, the amount required for those purposes shall be raised by Special

Assessment against all of the Unit Owners who will continue as Owners of any Unit after the changes in the Condominium effected by the taking. The Assessments shall be made in proportion to the shares of those Owners in the Common Expenses after the changes effected by the taking.

21.7 Taking of Common Elements. Awards for the taking of Common Elements shall be used to make the remaining portion of the Common Elements usable in the manner approved by the Board. The balance of such awards, if any, may be returned to the Unit Owners or used by the Association as the Board may determine.

21.8 Amendment of Declaration. The changes in Units, in the Common Elements and in the ownership of the Common Elements that are necessitated by condemnation, shall be evidenced by an amendment of the Declaration of Condominium that need be approved only by a majority of all Directors of the Board.

22. COMPLIANCE AND DEFAULT.

22.1 Duty to Comply; Right to Sue. Each Unit Owner, his Family, Tenants, Guests, Invitees and all Unit Occupants and the Association is governed by and shall comply with the provisions of the Condominium Act and the Condominium Documents. Actions for damages or for injunctive relief, or both, or for failure to comply may be brought by the Association or by a Unit Owner against:

22.1.1 The Association. The Association may, but shall not be required to, seek enforcement of the Condominium Documents. Without limiting the intended generality of the foregoing sentence, the Board has the discretion, without further liability to the Association, to decline to take action in cases as to which legal counsel has advised of a reasonable probability of failure on the merits, or in situations which involve disputes, complaints, or allegations of violation of the Condominium Documents involving the interest of the Owners of two (2) or more different Units, including, but not limited to, noise complaints, nuisance allegations, and the like;

22.1.2 A Unit Owner; or

22.1.3 Anyone who occupies a Unit as a Unit Owner, Family member, Tenant, Occupant or Guest. Unit Owners shall be jointly and severally liable for violations of the Condominium Documents and damage to the Condominium Property by their Family members, Tenants, Guests, Invitees and Unit Occupants.

22.2 Attorneys' Fees. In any legal proceeding arising out of an alleged failure of a Unit Owner, Family member, Tenant, Guest, Invitee, Occupant or the Association to comply with the requirements of the Condominium Act or the Condominium Documents, as amended from time to time, the prevailing party is permitted to recover the costs and expenses of the proceeding and a reasonable attorneys' fee before trial, at trial and on appeal.

22.3 No Election of Remedies; Remedies Cumulative. All rights, remedies and privileges granted to the Association or Unit Owners under any terms, provisions, covenants, or conditions of the Condominium Documents shall be deemed to be cumulative, and the exercise of any one (1) or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party from exercising such other additional rights, remedies, or privileges as may be granted by the Condominium Documents, or at law or in equity. It shall not be presumed that money damages shall be an adequate remedy for violations of the Condominium Documents.

22.4 Waiver of Application of Condominium Documents. The Association has the right to waive the application of one (1) or more of the covenants or restrictions of the Condominium Documents, or to permit a deviation from said covenants or restrictions, as to any Unit where, in the discretion of the Board, hardship circumstances exist which justify such waiver or deviation. In the event of any such waiver or permitted deviation, or in the event the Association fails to enforce violation of said covenants or restrictions, such actions or inactions shall not be deemed to prohibit nor restrict the right of the Association, or any other Person having the right to enforce said covenants or restrictions, from insisting upon strict compliance with respect to all other Units, nor shall any such actions be deemed a waiver of any of the covenants or restrictions contained in the Condominium Documents as same may be applied in the future.

22.6 Notice of Lien or Suit.

22.6.1 Notice of Lien. A Unit Owner shall give written notice to the Association of every lien upon his Unit, other than for permitted first mortgages, taxes and Special Assessments, within five (5) days after the Unit Owner receives actual notice of the attachment thereof.

22.6.2 Notice of Suit. A Unit Owner shall give written notice to the Association of every suit or other proceeding which may affect the title to his Unit, or impose liability on the Association, within five (5) days after the Unit Owner receives actual knowledge thereof.

22.6.3 Failure to Comply. Failure of an Owner to comply with this Article will not affect the validity of any judicial suit; however, the failure may render the Owner liable to any party injured by such failure.

23. MISCELLANEOUS PROVISIONS.

23.1 Covenants Running with the Land. The covenants and restrictions as herein contained, or forming a part of the Condominium Documents, shall be deemed to run with the land and shall run perpetually unless terminated or amended as provided herein.

23.2 Savings Clause. If any provision of the Condominium Documents hereto, as the same now exist or as may be later amended or any portion thereof, shall be held invalid by any Court, or other governmental agency with proper authority to so hold, the validity of the remainder of said Condominium Documents shall remain in full force and effect.

23.3 Heirs, Successors and Assigns. These Condominium Documents shall be binding upon the heirs, nominees, successors, administrators, executors and assigns of all Unit Owners.

23.4 Notices. All notices shall be given as provided in the Bylaws.

23.5 Compliance with Fair Housing Laws. There shall be no limitation upon sale, lease, or occupancy of any Unit based upon race, creed, color, sex, religion, national origin, handicap, or familial status. The Association may make reasonable accommodations, including reasonable waiver of the covenants and restrictions of the Condominium Documents, when necessary to afford handicapped individuals the opportunity to enjoy the Condominium premises, or to comply with other legal requirements.

23.6 Conflicts. In the event of a conflict between any provision of the Condominium Documents and the Condominium Act, the Condominium Act shall control, except in cases where the Act permits the Condominium Documents to regulate the subject, in which case the Condominium Documents will control. In the event of a conflict between this Declaration and the other Condominium Documents, same shall be governed as provided in the Bylaws.

23.7 Interpretation. The Board is responsible for interpreting the provisions of the Condominium Documents. The Board's interpretations shall be binding upon all parties unless wholly unreasonable. A written opinion rendered by Association's legal counsel that an interpretation adopted by the Board is not wholly unreasonable shall conclusively establish the interpretation as valid.

23.8 Captions and Headings. The headings and captions used in the Condominium Documents are solely for convenience sake and shall not be considered a limitation of any nature in interpreting the Condominium Documents.

23.9 Waiver. The failure of the Association to enforce any right, provision, covenant or condition which may be granted by the Condominium Documents shall not constitute a waiver of the right of the Association to enforce such right, provision, covenant or condition in the future.

23.10 Plurality; Gender. Wherever the context so permits, the singular includes the plural, the plural includes the singular, and the use of any gender includes all or no genders.

10. AMENDMENTS. These Articles may be amended in the following manner:

10.1 Proposal of Amendments. An amendment may be proposed by the President of the Association, the Directors, or by twenty-five percent (25%) of the entire Voting Interests.

10.2 Proposed Amendment Format. Proposals to amend existing Articles of Incorporation shall contain the full text of the Article to be amended. New words shall be underlined and words to be deleted shall be ~~lined through~~. If the proposed change is so extensive that this procedure would hinder rather than assist understanding, a notation must be inserted immediately preceding the proposed amendment saying, "SUBSTANTIAL REWORDING OF ARTICLE. SEE ARTICLE NUMBER ____ FOR PRESENT TEXT."

10.3 Notice. Written notice setting forth the proposed amendment or a summary of the changes shall be included in the notice of any meeting at which a proposed amendment is to be considered or in connection with documentation for action without a meeting.

10.4 Adoption of Amendments. A resolution for the adoption of a proposed amendment may be adopted by a vote of at least a majority of the Voting Interests of the Association. Amendments correcting errors, omissions, scrivener's errors, violations of applicable law, conflicts between the Condominium Documents, or if determined necessary and desirable by the Board to comply with the requirements of the secondary mortgage market, may be executed by the Officers of the Association, upon Board approval, without need for Association membership vote. The Board may also adopt amendments necessary to comply with the requirements of any governmental entity.

10.5 Effective Date. An amendment when adopted shall become effective after being recorded in the Monroe County Public Records according to law and filed with the Secretary of State according to law.

10.6 Automatic Amendment. These Articles shall be deemed amended, if necessary, so as to make the same consistent with the provisions of the Declaration. Whenever the Act, Chapter 617, Florida Statutes or other applicable statutes or administrative regulations, as amended from time to time, are amended to impose procedural requirements less stringent than set forth in these Articles, the Board may operate the Association pursuant to the less stringent requirements without the need to change these Articles. The Board, without a vote of the Members, may also adopt by majority vote, amendments to these Articles of Incorporation as the Board deems necessary to comply with such operational changes as may be enacted by future amendments to Chapters 607, 617, and the Act, or such other statutes or administrative regulations as required for the operation of the Association, all as amended from time to time.

10.7 Proviso. No amendment shall change the configuration of any Unit or the share in the Common Elements appurtenant to it, or increase the Owner's proportionate share of the Common Expenses, unless the record Owner of the Unit concerned and all record Owners of the mortgages on such Unit shall join in the execution of the amendment, and all other Unit Owners approve the amendment.

11. INDEMNIFICATION.

11.1 Indemnity. The Association shall indemnify any Officer, Director, or Committee member who was or is a party or is threatened to be made a party to any threatened, pending, or contemplated action, suit or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he is or was a Director, Officer, or Committee member of the Association, against expenses (including attorneys' fees and appellate attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, unless (i) a court of competent jurisdiction finally determines, after all appeals have been exhausted or not pursued by the proposed indemnitee, that he did not act in good faith or in a manner he reasonably believed to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or

proceeding, that he had reasonable cause to believe his conduct was unlawful, and (ii) such court also determines specifically that indemnification should be denied. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent shall not, of itself, create a presumption that the person failed to act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful. It is the intent of the membership of the Association, by the adoption of this provision, to provide the most comprehensive indemnification possible to their Officers, Directors, and Committee members as permitted by Florida law. In the event of a settlement, the right to indemnification shall not apply unless the Board approves such settlement as being in the best interest of the Association.

11.2 Defense. To the extent that a Director, Officer, or Committee member of the Association has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in Article 11.1, or in defense of any claim, issue, or matter therein, he shall be indemnified against expenses (including attorneys' fees and appellate attorneys' fees) actually and reasonably incurred by him in connection therewith.

11.3 Advances. Reasonable expenses incurred in defending a civil or criminal action, suit, or proceeding shall be paid by the Association in advance of the final disposition of such action, suit, or proceeding upon receipt of an undertaking by or on behalf of the affected Director, Officer, or Committee member to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Association as authorized by this Article 11. However, if the Board, by majority vote, determines that the person seeking advancement did not act in good faith or in a manner he reasonably believed to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or proceeding, that he had reasonable cause to believe his conduct was unlawful, the Association shall not be obligated to pay for any expenses incurred prior to the final disposition of the subject action.

11.4 Miscellaneous. The indemnification provided by this Article 11 shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any Bylaw, agreement, vote of Members, or otherwise, and shall continue as to a person who has ceased to be a Director, Officer, or Committee member and shall inure to the benefit of the heirs and personal representatives of such person.

11.5 Insurance. The Association has the power to purchase and maintain insurance on behalf of any person who is or was a Director, Officer, Committee member, employee, or agent of the Association, or a Director, Officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the duty to indemnify him against such liability under the provisions of this Article

1. IDENTITY. These are the Amended and Restated Bylaws (“Bylaws”) of Moon Bay Condominium Association, Inc., a Florida not-for-profit corporation formed for the purpose of administering Moon Bay, a Condominium (“Condominium”) which is located at 104350 Overseas Highway, Key Largo, Florida 33037, Monroe County, Florida, upon the lands described in the Declaration of Condominium. (The corporation is referred to as the “Association.”)

1.1 Office. The office of the Association is at such location, as may from time to time be determined by the Board.

1.2 Fiscal Year. The fiscal year of the Association is the calendar year, unless otherwise determined by the Board.

1.3 Seal. A corporate seal for the Association may be adopted and may be changed by the Board and shall bear the name or abbreviated name of the Association, the word “Florida,” the year of establishment, and shall identify the Association as a not-for-profit corporation. A common seal may be used in lieu of a raised corporate seal. A seal is not required to validate corporate actions unless specifically required by law.

1.4 Definitions. All terms used in these Bylaws, whether capitalized or not, have the same meaning to the extent applicable, and except where the context would otherwise suggest, as set forth in the Articles of Incorporation for the Association, the Declaration of Condominium and the Florida Condominium Act, Chapter 718, Florida Statutes (the “Act”), all as amended from time to time.

2. MEMBERS’ MEETINGS.

2.1 Annual Meetings. Annual Members’ meetings shall be held at such convenient location as determined by the Board. The annual meeting shall be held on the date and time determined by the Board for the purpose of transacting any business authorized to be transacted by the Members.

2.2 Special Meetings. Special Members’ meetings shall be held whenever called by the President or by the Board, and shall be called by the President or Secretary within a reasonable time of receipt of written notice from twenty-five percent (25%) of the Voting Interests of the Association when the subject of the request is a proper issue for Unit Owner

voting as set forth in the Condominium Documents or the Act. Members' meetings to recall a Member or Members of the Board may be called by ten percent (10%) of the Voting Interests of the Association who shall give notice of the meeting, stating the purpose of the meeting, pursuant to Section 718.112(2)(j) of the Act.

2.3 Notice of Members' Meetings. Notice of all Members' meetings, stating the time, place, and purpose(s) of the meeting, shall be sent to each Member by U.S. regular mail or by e-mail, unless waived in writing, at least fourteen (14) days prior to the meeting. The Association shall only be obligated to mail, e-mail or deliver notice to one location, no matter how many persons own a Unit, and no matter how many other residences such Owner may have. In the absence of written direction to the contrary, notices will be given to the address of the Unit and/or to the last e-mail address supplied by the Owner. Hand delivery and electronic notice of membership meetings is permissible. Officers required to give notice may delegate the actual giving of notice to another person, such as an Assistant Officer or managing agent. Any Members' meeting or election at which one (1) or more Directors are to be elected must be noticed as provided for in Article 2.4. An Officer of the Association or other person providing notice shall execute an affidavit of mailing, which shall be retained in the official records of the Association as proof of such mailing. The notice of the annual meeting shall include an agenda for all known substantive matters to be discussed, or have such an agenda attached to it. A copy of the notice and agenda for the annual meeting shall be posted at a conspicuous location, designated by Board resolution in the manner provided by law at least fourteen (14) days in advance of the meeting.

Notice of specific meetings may be waived before or after a meeting, and the attendance of any Member (or person authorized to vote for such Member) shall constitute such Member's waiver of notice of such meeting, except when his (or his proxy holder's) attendance is for the sole and express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

2.4 Board of Directors Election Meetings - Notice and Procedure. The regular election of Directors shall occur as the first item of business at the annual meeting.

2.4.1 Not less than sixty (60) days before a scheduled election, the Association shall provide to each Member entitled to vote, a first notice of the date of the election. Any person desiring to be a candidate for the Board shall give written notice to the Association not less than forty (40) days before the scheduled election. Not less than fourteen (14) days before the election, the Association shall mail or deliver a second notice of the election to all Members entitled to vote therein, together with a written secret ballot containing the names of all properly pre-qualified candidates which shall include an information sheet (if provided by the candidate), no larger than 8½ inches by 11 inches furnished by the candidate, to be included with the mailing of the ballot, with the costs of copying and mailing to be borne by the Association.

2.4.2 There is no quorum requirement necessary for an election. However, at least twenty percent (20%) of the Voting Interests must cast a ballot in order to have a valid election, and elections shall be decided by a plurality of those votes cast.

2.4.3 In the event that there are only as many (or fewer) candidates pre-qualified for election as there are open seats on the Board, no election shall be held, and the pre-qualified candidates shall automatically become Members of the Board after the annual meeting.

2.4.4 The Board may establish additional election rules or procedures as it deems appropriate to ensure a fair election process. Substantial compliance with these Bylaws and the Act relative to election procedures is sufficient.

2.5 Quorum/Voting. A quorum at Members' meetings shall consist of persons entitled to cast a majority of the Voting Interests of the entire membership. Those Members whose voting rights are suspended pursuant to the terms of the Condominium Documents and/or Florida law shall be subtracted from the required number of votes in any calculation for purposes of determining whether a quorum is present during the period of suspension. Such Voting Interests shall likewise be subtracted from the required number of votes when calculating any required vote as set forth in the Condominium Documents or the Act. Decisions made by a majority of the Voting Interests present and voting, in person or by proxy, at a meeting at which a quorum has been attained, shall be binding and sufficient for all purposes except such decisions as may by the Act or the Condominium Documents require a larger percentage, in which case the percentage required in the Act or the Condominium Documents shall govern. To the extent lawful, Members may join in any action taken at a meeting of the Members through written approval of such action executed after the meeting, and such approval shall be as though the Member duly approved the action of the meeting in question.

2.5.1 Units Owned by Association. No Voting Interest or consent right allocated to a Unit owned by the Association is exercised or considered for any purpose, whether for a quorum, an election or otherwise, as provided in the Act. Whenever a Unit owned by the Association is ineligible to vote due to the provisions of the Act and these Bylaws, the Voting Interest attributable to that Unit is subtracted from the required number of votes when calculating any required vote for quorum for the period during which the Association owns the Unit.

2.6 Indivisible Vote. Each Unit has one (1) indivisible vote. Boat Slips are not attributed a vote. If a Unit is owned by multiple individuals, such as spouses, any record Owner may vote on behalf of the Unit. If a Unit is owned by a corporation, any officer or Primary Occupant may vote on behalf of said corporation. If a Unit is owned by a partnership, any general partner or Primary Occupant may vote on behalf of the partnership. If a Unit is owned in trust, any grantor, trustee of a trust, or Primary Occupant shall be entitled to vote. If a Unit is owned by a limited liability company, any member, manager, officer or Primary Occupant may vote on

behalf of the limited liability company. Any person with bona fide apparent authority asserting the right to vote on behalf of a Unit owned by an artificial entity shall be presumed to be entitled to vote on behalf of said Unit, unless the Unit has filed voting instructions with the Association designating some other person entitled to vote or if the Association has reasonable cause to believe such person is not eligible to vote. If multiple Owners or non-individual Owners of a Unit cannot agree on how a vote is to be cast, the vote shall not be counted as to the issue upon which disagreement exists. Voting certificates are not necessary. No individual may cast a vote assigned to a Unit where the voting rights assigned to the Unit are suspended pursuant to the terms of the Condominium Documents and/or Florida law.

2.7 Voting/Proxies. Votes may be cast in person or by proxy. Members and proxyholders may participate in Association meetings via telephone, or other means of remote participation, if permitted by the Association. Absent a resolution of the Board to the contrary, the President of the Association has the authority to determine whether Members or holders of proxies should be allowed to participate in any particular meeting of the Membership by telephonic conference, or other means of remote participation. In order for a proxyholder to participate telephonically or remotely in an Association meeting, a copy of the proxy must be provided to the Association prior to the start of the meeting. Only Members or the spouse of a Member may be delegated (including through use of a Power of Attorney) to hold proxies, provided that the Board may designate agents of the Association (including, but not limited to, Association legal counsel or the Association's manager) as an eligible proxyholder. Proxies shall be in writing, signed and dated, and shall be valid only for the particular meeting designated therein or an adjournment thereof, but in no event for more than ninety (90) days, and must be filed with the Association before or at the voter registration immediately preceding the meeting or adjournment thereof. Except as specifically otherwise provided by law, Members may not vote by general proxy, but may vote by limited proxies substantially conforming to a limited proxy form adopted by the Division of Florida Condominiums, Timeshares and Mobile Homes. Limited proxies and general proxies may be used to establish a quorum. Limited proxies shall be used for votes regarding reserves, for votes taken to waive financial statement requirements, for votes taken to amend the Declaration, for votes taken to amend the Articles of Incorporation or Bylaws, and for any other matter which the Act requires or permits a vote of the Members. No proxy, limited or general, shall be used in the election of Board members. General proxies may be used for other matters for which limited proxies are not required, and may also be used in voting for non-substantive changes to items for which a limited proxy is required and given. A photographic, photostatic, facsimile, electronic or equivalent reproduction of a signed proxy is a sufficient proxy. Owners may retroactively cure any alleged defect in a proxy by signing a statement ratifying the Owner's intent to cast a proxy vote. The use of proxies is to be liberally construed.

2.8 Adjournment. If any meeting of Members cannot be convened because a quorum is not present, or if insufficient Voting Interests are represented to approve a proposed item of Association business, or in any case where a majority of the Voting Interests present (in person or by proxy) so agree, the Members who are present (either in person or by proxy) may adjourn

the meeting from time to time until a quorum is present, or enough votes can be cast to decide a question, or the meeting can be reconvened consistent with the intention of the Members in their approval of the adjournment. When a meeting is adjourned it shall not be necessary to give notice to all Members of the time and place of its continuance, provided that the specific date, time and location of the adjourned meeting was announced at the original meeting. Any business which might have been conducted at the meeting as originally scheduled may instead be conducted at the continuance, provided a quorum is then present, in person or by proxy.

2.9 Order of Business. The agenda and order of business at annual Members' meetings and, as far as applicable at all other Members' meetings, shall be:

2.9.1 Call to order by the President;

2.9.2 At the discretion of the President, appointment by the President of a chairman of the meeting (who need not be a Member or a Director);

2.9.3 Appointment by the President (or chairman) of inspectors of election;

2.9.4 Election of Directors;

2.9.5 Calling of the roll, certifying of proxies and determination of a quorum; or, in lieu thereof, certification and acceptance of registration procedures establishing the number of persons present in person or by proxy;

2.9.6 Proof of notice of the meeting or waiver of notice;

2.9.7 Action on unapproved minutes, if any;

2.9.8 Reports of Officers, if any;

2.9.9 Reports of Committees, if any;

2.9.10 Action on voting items included by Board in meeting materials, if any;

2.9.11 Adjournment.

2.10 Action Without a Meeting. Any action required to be taken at any annual or special meeting of Members, or any action which may be taken at any annual or special meeting of such Members, may be taken without a meeting, without prior notice, and without a vote, if a consent in writing setting forth the action so taken shall be signed by the requisite number of Voting Interests to approve the action.

3. BOARD OF DIRECTORS.

3.1 Number, Term, and Qualifications. The affairs of the Association shall be governed by a Board composed of five (5) Directors. All Directors shall be Members or the spouse of a Member. If provided in the Act as amended from time to time, co-owners of a Unit cannot simultaneously serve on the Board, except as permitted by the Act. No more than one (1) natural person may represent any one (1) Unit on the Board at any given time. When a Unit is owned by a corporation, a partnership, limited liability company or similar entity, the Primary Occupant, as designated pursuant to the Declaration, and the spouse of the Primary Occupant shall be eligible for Board membership. If the Unit is excused from designation of a Primary Occupant because the entity held title before the effective date of the requirement for designation of a Primary Occupant, then any eligible voter, as described in Article 2.6 shall be eligible for Board service. Grantors, trustees and beneficiaries of trusts (provided that the beneficiaries reside in the Unit), and the spouses of such persons, shall be eligible for Board membership. If a grantor, trustee or beneficiary of a trust, or the spouse of such person, seeks candidacy (and is not identified on the deed to the Unit as the grantor, trustee or beneficiary of the trust), a copy of the trust document, affidavit (certificate) of trust or abstract of trust prepared by a licensed attorney must be provided to the Association at least thirty-five (35) days prior to the date of the annual meeting. The trust document can be redacted to keep financial information confidential; however, the document must clearly indicate the grantor, trustee and the beneficiaries of the trust. A person who has been convicted of any felony in this State or in a United States District or Territorial Court, or who has been convicted of any offense in another jurisdiction that would be considered a felony if committed in this State, is not eligible to serve on the Board, unless such felon's rights have been restored for a period of at least five (5) years as of the date on which such person seeks election to the Board. A person who has been suspended or removed by the Division of Florida Condominiums, Timeshares, and Mobile Homes pursuant to the Act, or who is more than ninety (90) days delinquent in the payment of any monetary obligation is not eligible for Board membership.

All Directors will be elected for a one (1) year term. The term of each Director's service shall extend until their elected term is completed. Resignations of Directors are effective when received by the Association in writing, unless a later date is stated. In the event a resignation is to take effect at a later date, the resigning Director shall remain on the Board until the effective date of the resignation and may, during this time, vote on all matters before the Board including, but not limited to, any vote to appoint a replacement Director created by his resignation. So long as required by the Act, the term limit provisions of the Act shall apply to Director terms, commencing with terms beginning on or after July 1, 2018. Notwithstanding, any provision to the contrary in the Condominium Documents, it is the intention of this Article 3.1 to incorporate the version of the Act which existed when the Condominiums were created, but to incorporate the Act's term limits, as set forth above.

3.2 Board Vacancies. Except as provided in Article 3.1, vacancies on the Board may be filled by appointment by a majority vote of the remaining Directors for the remainder of the unexpired term, as provided in Article 3.1, unless the Board votes to have the vacancy filled by a special election of the Members. When a Director has been recalled by the membership, the vacancy created by his removal cannot be filled with the same person as has been removed from the Board, and when a majority of the Board has been recalled, vacancies shall be filled by the membership, as provided by law.

3.3 Organizational Meeting. The organizational meeting of each newly-elected Board to elect Officers shall be held at such place and time as shall be fixed by the Directors, provided a quorum shall be present. Unless otherwise noticed, the organizational meeting shall be held immediately following the annual meeting of the Members.

3.4 Regular Meetings. Regular meetings of the Board may be held at such time and place as shall be determined from time to time by a majority of the Directors. Notice of regular meetings, unless fixed by Board resolution, shall be given to each Director personally or by mail, electronic mail, telephone, or facsimile at least two (2) days prior to the day named for such meeting.

3.5 Special Meetings. Special meetings of the Directors may be called by the President and must be called by the Secretary at the written request of a majority of the Directors. Not less than two (2) days' notice of the meeting (except in an emergency) shall be given to each Director personally or by mail, electronic mail, telephone, or facsimile, which notice shall state the time, place, and purpose of the meeting. Twenty percent (20%) of the Voting Interests may petition for the Board to take up an item of business at a regular or special meeting of the Board. Such meeting must be held within sixty (60) days of receipt of the petition. The Board is not required to take any particular action as a result of such petitions.

3.6 Waiver of Notice. Any Director may waive notice of a meeting before, at, or after the meeting, and such waiver shall be deemed equivalent to the giving of notice. Attendance by a Director at a meeting shall constitute waiver of notice of the meeting.

3.7 Notice to Owners of Board Meetings. Notice of meetings, which notice shall specifically include an agenda, shall be posted conspicuously, as provided in Article 2.3 of these Bylaws, at least forty-eight (48) continuous hours in advance of the meeting for the attention of Members, except in an emergency. If closed circuit television is available, the Board may use same for posting notices, as permitted by law. Meetings at which a regular monthly or quarterly Assessment or Special Assessment is to be considered shall specifically state: (1) that Assessments will be considered and the nature, estimated cost, and (2) description of the purpose for such Assessments. Further, written notice of any meeting at which non-emergency Special Assessments, or at which amendment to rules regarding Unit use will be considered, or where the Board will establish the deductible feature of the Association's insurance policies, shall

be mailed or delivered (including electronic delivery as provided by law) to the Members and posted conspicuously, as provided in Article 2.3 of these Bylaws, not less than fourteen (14) continuous days prior to the meeting. Evidence of compliance with this 14-day notice shall be by an affidavit executed by the person giving notice, where required by law, and shall be filed among the official records of the Association.

3.8 Owner Right to Speak at Board Meetings. Meetings of the Board, at which a majority of the Board members are present, shall be open to all Members. Members may not designate third persons, through power of attorney or otherwise, to attend Board meetings unless agreed to otherwise by the Board. The Member's right to attend Board meetings includes the right to speak with reference to all designated agenda items; provided, however, the Board may adopt reasonable rules governing the frequency, duration, and manner of Member statements. Unless otherwise provided by the Board, each Member is entitled to speak for three (3) minutes with reference to each designated agenda item. Unit Owners may record meetings of the Board and meeting of the Members, but may not post such recordings on any website or other media which can be readily viewed by persons who are not Members of the Association. The Board may adopt reasonable rules governing the recording of meetings of the Board and the membership. Board meetings subject to the attorney-client privilege and Board meetings involving personnel matters shall not be open to Member attendance.

3.9 Board Meetings, Quorum, and Voting. The designation of the agenda for Board meetings shall be at the discretion of the President. However, the President shall be obligated to include any item on the agenda for a Board meeting, if requested reasonably in advance and in writing, by a majority of the Directors, and where required due to petition from twenty percent (20%) of the Voting Interests. A quorum at Directors' Meetings shall consist of a majority of the number of required Directors. The acts approved by a majority of the Board present and voting at a meeting shall constitute the acts of the Board. Directors may not vote by proxy or by secret ballot at Board meetings (except that Directors may vote by secret ballot when electing Officers). A vote or abstention for each Board member present shall be recorded in the minutes. A Director of the Association who abstains from voting on any action taken on any corporate matter shall be presumed to have taken no position with regard to the action. If at any meeting of the Board there be less than a quorum present, or if a quorum exists and a majority of the Directors so approve, the Director(s) present may adjourn the meeting from time to time until a quorum is present, and no further notice need be given except for announcement at the meeting as to the date, time, and place of the adjournment. At any adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted. Absent Directors may later sign written joinders in Board actions, but such joinders may not be used for purposes of creating a quorum or counted as official votes for the Board's meeting. Directors may participate telephonically or remotely in Board meetings, as provided by law.

3.10 Presiding Officer. The presiding Officer at Directors' meetings shall be the President, and in his absence, the Vice President. In the absence of the presiding Officer, the

Directors present shall designate one of their number to preside. The presiding Officer may permit legal counsel or a managing agent to chair portions or the entirety of a Board meeting.

3.11 Director Compensation. Directors serve without pay but are entitled to reimbursement for expenses reasonably incurred.

4. POWERS AND DUTIES OF THE BOARD OF DIRECTORS. All of the powers of the Association existing under the laws of Florida generally, Florida Not For Profit Corporation Statute, the Condominium Act, and the Condominium Documents, all as amended from time to time, shall be exercised exclusively by or under the direction of the Board, or a duly authorized Board member, Officer, Committee member, agent, contractor, or employee, when said powers or duties have been delegated by the Board, subject only to the approval by Members when such is specifically required. In the event of a question or dispute whether a Board power has been properly delegated, the Board may ratify such action at a duly noticed meeting of the Board, and such ratification shall relate back to the act in question unless otherwise specified by the Board. The powers of the Directors include, but are not limited to, the power:

4.1 To Assess. The Directors shall adopt budgets and make and collect special and periodic Assessments against Owners to defray the costs of the Association.

4.2 To Expend Association Funds. The Directors shall use the proceeds of Assessments in the exercise of the Association's powers and duties.

4.3 To Maintain the Condominium Property. The Directors shall maintain, repair, replace, and operate the property within the Condominium.

4.4 To Adopt Regulations. The Directors shall enact and may amend Rules and Regulations concerning the transfer, use, appearance, maintenance, and occupancy of the Units, Common Elements, Limited Common Elements, and Association Property, and to enact rules, policies, and resolutions pertaining to the operation of the Association, subject to any limitations contained in the Declaration.

4.5 To Reconstruct After Casualty. The Directors may reconstruct the Units, Common Elements, Limited Common Elements, and Association Property improvements after casualty and may further improve the property, as specified in the Declaration.

4.6 To Approve Transfers. The Directors may approve or disapprove proposed transactions or transfers in the manner provided by the Declaration, and may charge a preset fee, not to exceed the maximum permissible by law, in connection with such right of approval. In connection with the lease of Units, the Board may require the posting of a security deposit to protect against damages to the Common Elements or Association Property, in the manner provided by law.

4.7 To Enforce. The Directors may enforce by legal means the provisions of applicable laws and the Condominium Documents, and may interpret the Condominium Documents, as the final arbiter of their meaning, unless such interpretation is wholly arbitrary or contrary to law.

4.8 To Contract. The Directors may contract for management, maintenance, and operation of the Condominium and the Association.

4.9 To Insure. The Directors shall carry insurance for the protection of the Members and the Association, pursuant to requirements contained in the Declaration and the Act.

4.10 To Pay Utility Bills. The Directors shall pay the cost of all utility services rendered to the Condominium and not billed to Owners of individual Units.

4.11 To Hire and Discharge. The Directors may employ personnel and designate other agents to be paid a reasonable compensation and grant them such duties as seem appropriate for proper administration of the purposes of the Association.

4.12 To Sue and Be Sued. The Directors may bring and defend suits and other proceedings and may exercise business judgment as to whether the interests of the Association are best served with respect to settlement of a matter or whether a suit or other proceeding should be commenced.

4.13 To Deal in Real and Personal Property. The Directors may make and execute contracts, deeds, mortgages, notes and other evidence of indebtedness, leases, and other instruments by its Officers, and may purchase, own, lease, convey, and encumber real and personal property subject to the provisions of the Declaration. The Directors may grant or modify easements and licenses over the Condominium Property necessary or desirable for proper operation of the Condominium.

4.14 To Enter Into Contracts for Products and Services. All contracts for the purchase, lease, or renting of materials or equipment, or which are not to be fully performed within one year, and all contracts for services shall be in writing. As to any such contract which requires payment exceeding five percent (5%) of the gross budget including reserves (except for contracts with employees of the Association, attorneys, accountants, architects, engineers, landscape architects, and community association managers), the Association shall obtain competitive bids unless the products and services are needed as the result of an emergency, or unless the desired supplier is the only source of supply within the county serving the Association. The Association need not accept the lowest bid. If a contract was awarded under the competitive bid procedures of this Article, any renewal of that contract is not subject to such competitive bid requirements if the contract contained a provision that allowed the Board to cancel a contract on thirty (30) days' notice. Materials, equipment, or services provided to a Condominium under a local

government franchise agreement by a franchise holder are not subject to the competitive bid requirements of this Article.

4.15 To Levy Fines and Suspend Rights. The Directors may, pursuant to the Act, impose fines not to exceed the maximum permissible by law (currently \$100.00 per violation and \$1,000.00 for ongoing violations), and/or suspend the right to use Common Elements, common facilities, or any other Association Property, as permitted by the Act, for failure of the Owner of the Unit or any Resident, Occupant, Tenant, Guest, Licensee, Invitee, or any Family members thereof to comply with the provisions of the Board policies and resolutions, the Condominium Documents, including the Rules and Regulations, and applicable laws.

4.15.1 A fine may be imposed for each day of continuing violation at the highest rate allowed by law per violation with a single notice and opportunity for hearing, provided that no fine shall in the aggregate exceed the maximum amount permissible by law. A suspension shall be imposed and enforceable for a reasonable amount of time, as determined by the Board, and subject to the confirmation or rejection of the independent committee specified in Article 4.15.3.

4.15.2 The Unit Owner and, if applicable, the party against whom the fine and/or suspension is sought to be imposed (if different from the Unit Owner), shall be afforded an opportunity for hearing by being given notice of not less than fourteen (14) days.

4.15.3 The Unit Owner and, if applicable, the party against whom the fine and/or suspension is sought to be imposed (if different from the Unit Owner), has an opportunity to respond, to present evidence, and to provide written and oral argument on all issues involved and has an opportunity at the hearing to review, challenge, and respond to any material considered by the Association. The hearing shall be held before a Committee appointed by the Board, who are not Officers, Directors, or employees of the Association, or the spouse, parent, child, brother, or sister of an Officer, Director, or employee. If the Committee does not approve the proposed fine and/or suspension, the fine and/or suspension may not be imposed. Should the Association be required to initiate legal proceedings to collect a duly imposed fine or enforce a duly imposed suspension, the prevailing party in an action to collect said fine or enforce said suspension shall be entitled to an award of costs and a reasonable attorneys' fee incurred before trial (including in connection with the preparation for and conduct of fining and/or suspension hearings), at trial, and on appeal. The Unit Owner is jointly and severally liable for the payment of fines imposed against and/or enforcement of suspensions imposed upon Residents, Occupants, Tenants, Guests, Licensees, Invitees, or any Family members of the relevant Unit.

4.16 To Appoint Committees. The Directors may appoint Committees and delegate to such Committees those powers and duties of the Association as the Board deems advisable. All Committees and Committee members shall serve at the pleasure of the Board. Committees of the Association, as defined in the Act, shall conduct their affairs in the same manner as provided

in these Bylaws for Board meetings. All other Committees may meet and conduct their affairs in private without prior notice or Owner participation, unless otherwise directed by the Board.

4.17 To Ensure Fire Safety Compliance. The Directors shall ensure compliance with the Florida Fire Prevention Code as required by the Act.

4.18 To Approve the Installation of Hurricane Shutters. The Directors shall adopt hurricane shutter specifications for the Condominium which shall include color, style, and other factors deemed relevant by the Board. All specifications adopted by the Board shall comply with the applicable building code, or shall be structured to ensure that installed shutters are in compliance with the applicable building code. The Board shall not refuse to approve the installation or replacement of hurricane shutters conforming to the specifications adopted by the Board, provided that the Board may condition approval upon the Member's agreement to execute appropriate documentation regarding same.

4.19 To Exercise Emergency Powers. In the event of any emergency, as defined in Article 4.19.10, the Board may exercise the emergency powers described in this Article, and any other emergency powers authorized by Section 617.0207, Florida Statutes, Section 617.0303, Florida Statutes, and the Act, all as amended from time to time.

4.19.1 The Board may name as Assistant Officers persons who are not Directors, which Assistant Officers shall have the same authority as the Executive Officers to whom they are assistant during the period of the emergency, to accommodate the incapacity of any Officer of the Association.

4.19.2 The Board may relocate the principal office or designate alternative principal offices or authorize the Officers to do so.

4.19.3 During any emergency the Board may hold meetings with notice given only to those Directors with whom it is practicable to communicate, and the notice may be given in any practicable manner, including publication or radio. The Director or Directors in attendance at such a meeting shall constitute a quorum.

4.19.4 The Board may change or postpone the annual meeting date to a date and time determined by the Board, even if such change will result in not holding an annual meeting in a particular calendar year, as long as the annual meeting is held no more than eighteen (18) months after the prior annual meeting date.

4.19.5 Corporate action taken in good faith during an emergency under this Article to further the ordinary affairs of the Association shall bind the Association; and shall have the rebuttable presumption of being reasonable and necessary.

4.19.6 The Board may use reserve funds to meet Association needs and may use reserve funds as collateral for Association loans. The Board may adopt emergency assessments with such notice deemed practicable by the Board.

4.19.7 The Board may adopt emergency Rules and Regulations governing the use and occupancy of the Units, Common Elements, Limited Common Elements, and Association Property, with notice given only to those Directors with whom it is practicable to communicate.

4.19.8 Any Officer, Director, or employee of the Association acting with a reasonable belief that his actions are lawful in accordance with these emergency Bylaws shall incur no liability for doing so, except in the case of willful misconduct.

4.19.9 The emergency Bylaws supersede any inconsistent or contrary provisions of the Bylaws during the period of the emergency.

4.19.10 For purposes of this Article only, an emergency exists only during a period of time that the Condominium, or the immediate geographic area in which the Condominium is located, is subjected to:

4.19.10.1 a state of emergency declared by local civil or law enforcement authorities;

4.19.10.2 a hurricane warning;

4.19.10.3 a partial or complete evacuation order;

4.19.10.4 federal or state "disaster area" status;

4.19.10.5 a catastrophic occurrence, whether natural or manmade, which seriously damages or threatens to seriously damage the physical existence of the Condominium, such as an earthquake, tidal wave, storm surge, fire, hurricane, tornado, war, civil unrest, or act of terrorism; or,

4.19.10.6 an unanticipated set of circumstances, which, if not acted upon with immediacy, is likely to cause imminent and significant financial harm to the Association, the Members, the Condominium Property, or Association Property.

4.20 To Enter Into Contracts and Borrow Money. The Directors may make contracts and incur liabilities, borrow money at such rates of interest as the Association may determine, issue its notes, bonds, and other obligations, and secure any of its obligations by mortgage and pledge of all or any of its property, franchises, Assessments, Special Assessments, income or rights.

5. OFFICERS.

5.1 Executive Officers. The executive Officers of the Association are the President, one (1) or more Vice Presidents, the Secretary and the Treasurer, all of whom shall be elected annually by and from the Board, and who may be peremptorily removed by a majority vote of the Directors at any meeting. Any person may hold two (2) or more offices except that the President shall not also be the Secretary. The Board may also appoint such Assistant Officers as may be desired. Assistant Officers need not be Directors.

5.2 President — Powers and Duties. The President is the Chief Executive Officer of the Association, shall preside at all meetings of the Board and Association meetings. The President has general supervision over the affairs of the Association and has all of the powers and duties which are usually vested in the office of President of a corporation.

5.3 Vice-President — Powers and Duties. The Vice-President shall, in the absence or disability of the President, exercise the powers and perform the duties of the President. He shall also generally assist the President and exercise such other powers and perform such other duties as shall be prescribed by the Directors.

5.4 Secretary — Powers and Duties. The Secretary shall keep the minutes of all proceedings of the Directors and the Members. He shall attend to the giving and serving of all notices to the Members and Directors and other notices required by law. He shall have custody of the seal of the Association and affix the same to instruments requiring a seal when duly signed. He shall keep and have custody of the records of the Association, except those of the Treasurer. He shall perform all other duties incident to the office of Secretary of the Association and as may be required by the Directors or the President.

5.5 Treasurer — Powers and Duties. The Treasurer shall have custody of all property of the Association, including funds, securities, and evidences of indebtedness. He shall keep the Assessment rolls and accounts of the Members. He shall keep the books of the Association in accordance with good accounting practices and shall perform all other duties incident to the office of the Treasurer of a corporation.

5.6 Officers' Compensation. Officers are not entitled to compensation for service as such, but are entitled to reimbursement of expenses reasonably incurred. This provision does not preclude the Board from employing an Officer or Director as an agent or employee of the Association.

6. MINUTES AND INSPECTION OF RECORDS. Minutes of all meetings of Members and of the Board shall be kept in a business-like manner. These, plus records of all receipts and expenditures and all other official records, as defined in the Act, shall be available for inspection by Members and Board members at all reasonable times. Provided, however, that the Directors may adopt

reasonable rules regarding the frequency, time, location, notice, and manner of record inspections and any copying.

7. FISCAL MANAGEMENT.

7.1 Budget. An annual budget shall be adopted by the Board. A proposed annual budget of Common Expenses and anticipated revenues shall be prepared by the Board which shall include all anticipated income/revenue and expenses for operation, maintenance, and administration of the Condominium. The proposed budget may also include expenses of security, in-house communications, Directors and Officers insurance, transportation services, Communications Services, recreational services and amenities, and interior pest control, all of which are declared to be Common Expenses under these Bylaws. The proposed budget shall include reserves, pursuant to the Act, the funding of which may be waived or reduced by a vote of a majority of the Voting Interests present (in person or by proxy) and voting at a duly noticed meeting of the Association, or by written agreement of a majority of the entire Voting Interests. Reserve funds and any accrued interest on the funds shall remain in the reserve account for authorized reserve expenditures, unless their use for other purposes is approved in advance by a vote of the majority of the Voting Interests present (in person or by proxy) and voting at a duly called meeting of the Association, or by the written approval of a majority of the entire Voting Interests. The budget may contain a reasonable allowance for contingencies and provide funds for all operating expenses previously incurred. If at any time a budget shall prove insufficient, it may be amended by the Board for the remaining portion of the fiscal year, provided that notice of the Board meeting at which the revised budget will be considered, along with a copy of the proposed revisions to the budget, shall be mailed or delivered to each Member as provided in Article 7.2.

If an adopted budget requires Assessments against the Units in any fiscal year which exceed one hundred fifteen percent (115%) of the Assessments for the preceding fiscal year, the Board shall conduct a special meeting of the Members to consider a substitute budget if the Board receives, within twenty-one (21) days after adoption of the annual budget, a written request for a special meeting from at least ten percent (10%) of all Voting Interests. The special meeting shall be conducted within sixty (60) days after adoption of the annual budget. At least fourteen (14) days prior to such special meeting, the Board shall deliver to each Member or mail to each Member at the address last furnished to the Association, a notice of the meeting. An Officer or manager of the Association, or other person providing notice of such meeting shall execute an affidavit evidencing compliance with this notice requirement. Such affidavit shall be filed among the official records of the Association. At the special meeting, Members shall consider and enact a substitute budget. The adoption of the substitute budget requires a vote of not less than a majority vote of all the Voting Interests. If a meeting of the Members has been called and a quorum is not attained or a substitute budget is not adopted by the Members, the budget adopted by the Board goes into effect as scheduled. In determining whether Assessments exceed one hundred fifteen percent (115%) of similar Assessments in prior years, any authorized

provisions for reasonable reserves for repair or replacement of the Condominium Property, anticipated expenses by the Association which are not anticipated to be incurred on a regular or annual basis, or Assessments for betterments to the Condominium Property must be excluded from the computation.

If an annual budget has not been adopted at the time the first installment for a fiscal year is due, it shall be presumed that the amount of such installment is the same as the last installment and shall be continued at such rate until a new budget is adopted and Assessments are calculated, at which time any overage or shortage shall be added to or subtracted from each Unit's next installment due.

7.2 Mailing and Posting. A copy of the proposed annual budget shall be mailed or delivered to the Members not less than fourteen (14) days prior to the meeting of the Board at which the budget will be adopted, together with a notice of the meeting. Electronic notice transmitted to the address furnished by the Unit Owner for such purpose is acceptable where permissible by law. The notice shall also be posted in a conspicuous location on the Condominium Property as provided by law. The Board may include notice of its meeting to set the insurance deductible with notice of the budget meeting.

7.3 Assessments. The annual shares of the Units of the Common Expenses shall be made payable in installments due monthly or quarterly (as determined by the Board) in advance and shall become due on the first day of each such period and shall become delinquent ten (10) days thereafter. No invoice need be sent by the Association, although the Association may do so.

7.4 Special Assessments. Special Assessments for Common Expenses or Limited Common Expenses which are not funded through the budget or which arise due to unforeseen or non-recurring circumstances may be made by the Board, and the time of payment shall likewise be determined by them. In the event such Special Assessments exceed \$2,500 per unit per fiscal year, the approval of at least a majority of the Voting Interests voting at a meeting at which a quorum is attained (in person or by proxy) shall be required to levy such Special Assessment. Uni Owner approval is not required for Special Assessments, regardless of the amount, where the same are required for repairs or replacement of common elements or for emergency purposes. Notice of the Board meeting at which such Assessments shall be imposed shall be mailed or delivered to each Member and posted as provided in Article 3.7, except in the event of an emergency. To the extent permitted by law, notice of Board meetings at which Special Assessments for Limited Common Expenses will be imposed need only be given to affected Owners. The funds collected pursuant to a Special Assessment shall be used only for the specific purpose or purposes set forth in such notice. However, upon completion of such specific purpose or purposes, any excess funds will be considered Common Surplus, and may, at the discretion of the Board, either be returned to the Members or applied as a credit towards future Assessments.

7.5 Assessment Roll. The Assessments for Common Expenses and Charges shall be set forth upon a roll of the Units which shall be available for inspection at all reasonable times by Members. Such roll shall indicate for each Unit the name and address of the Owner, and the Assessments and Charges paid and unpaid. A certificate made by a duly authorized representative of the Association or by the Board as to the status of a Unit's account may be relied upon for all purposes by any person for whom made.

7.6 Liability for Assessments and Charges. A Member is liable for all Assessments (including Special Assessments) and Charges coming due while the Owner of a Unit, and such Member and Member's grantees or successors, after a conveyance or other transfer of title, are jointly and severally liable for all unpaid Assessments (including Special Assessments) and Charges due and payable up to the time of such voluntary or involuntary conveyance. Liability may not be avoided by waiver of the use or enjoyment of any Common Elements or Association Property or by abandonment of the Unit for which the Assessments or Charges are due. Where a mortgagee holding a first mortgage of record obtains title to a Unit by foreclosure or by deed in lieu of foreclosure, such mortgagee shall be jointly and severally liable with the prior unit owner for such Unit's unpaid Assessments (including Special Assessments), Charges, or share of the Common Expenses which became due prior to acquisition of such mortgagee's title unless it named the Association as a defendant in the foreclosure action in which case its liability will be limited as provided in the Act. Such mortgagee or its successors and assigns are liable for all Assessments and Charges that come due after their taking of title.

7.7 Liens for Assessments. The unpaid portion of an Assessment (including Special Assessment), including an accelerated Assessment which is due, together with all costs, collection expenses, interest, late fees, and reasonable attorneys' fees for collection, including but not limited to appeals, bankruptcies, fees incurred in litigating entitlement thereto or fees incurred in litigation after entitlement has already been determined, shall be secured by a continuing lien upon the Unit.

7.8 Lien for Charges. Unpaid Charges due to the Association together with costs, interest, late fees, expenses and reasonable attorneys' fees, including but not limited to appeals, bankruptcies, fees incurred in litigating entitlement thereto or fees incurred in litigation after entitlement has already been determined shall be secured by a common law and contractual lien upon the Unit and all appurtenances thereto and its lien priority is established by the Act.

7.9 Collection — Interest; Administrative Late Fee; Application of Payments. Assessments (including Special Assessment) or Charges paid on or before ten (10) days after the date due shall not bear interest, but all sums not paid on or before ten (10) days after the due date shall bear interest at the highest rate permitted by law from the date due until paid. In addition to such interest the Association may charge an administrative late fee in an amount not to exceed the greater of twenty-five dollars (\$25.00) or five percent (5%) of each installment of the Assessment for which payment is received more than ten (10) days after the date due, or the

maximum late fee permissible by law. The Association may also accelerate all Assessments or Charges which are accrued, but not yet due, in the manner provided by law. All payments upon account shall be first applied to interest, then the late fee, then to any costs and collection expenses and reasonable attorneys' fees incurred, and then to the Assessment payment or Charge first due.

Except as otherwise provided in the Act, no lien may be filed by the Association against a Condominium Unit until thirty (30) days after the date on which a notice of intent to file a lien has been delivered to the Owner, pursuant to the Act.

7.10 Collection — Suit. The Association, at its option, may enforce collection of delinquent Assessments (including Special Assessment) or Charges by suit at law, by foreclosure of the lien securing the Assessments (including Special Assessment) or Charges, or by any other remedy available under the laws of the State of Florida, and in any event the Association is entitled to recover the payments which are delinquent at the time of collection, judgment, or decree, together with those which have become due by acceleration or which have thereafter become due, plus interest thereon, and all costs and expenses incident to the collection and the proceedings, including reasonable attorneys' fees, including, but not limited to, appeals, bankruptcies, fees incurred in litigating entitlement thereto or fees incurred in litigation after entitlement has already been determined. The Association may attach rental income for delinquent Units and may withhold approval for the sale, lease, or other transfer of a Unit, or any interest therein, until all past due Assessments, interest, late fees, costs, and attorneys' fees have been paid in full. The Association must deliver or mail by certified mail to the Member written notices of its intention to file a lien and to foreclose the lien, as provided by law.

7.11 Association Depository. The depository of the Association, in which the funds of the Association shall be deposited, shall be financial institutions authorized to do business in Florida which carry FDIC insurance or equivalent insurance, provided that such insurance is backed by the full faith and credit of the United States of America. All deposits shall be within the limits of such insurance. Association funds, whether reserves or operating funds, may not be placed at risk for investment purposes. Withdrawal of money from those accounts shall be only by checks or other withdrawal instruments signed by those persons as are authorized by the Directors or by electronic transfer protocols approved by the Board.

7.12 Commingling of Funds. All funds of the Association shall be maintained separately in the Association's name. No community association manager or business entity required to be licensed or registered under Section 468.432, Florida Statutes, as amended from time to time, no agent, employee, Officer, or Director of the Association shall commingle any Association funds with his funds or with the funds of any other condominium association or community association as defined in Section 468.431, Florida Statutes, as amended from time to time, or with those of any other entity. Reserve funds and operating funds of the Association may be commingled for investment purposes, as provided by law.

7.13 Financial Reports. A complete financial report of actual receipts and expenditures of the Association shall be made annually which shall comply with Rule 61B-22, Florida Administrative Code, as amended from time to time, and with the Act.

7.14 Fidelity Bonding. The Association shall obtain and maintain adequate fidelity bonding in the minimum principal sum set forth in the Act, for each person (whether or not a Director) who controls or disburses Association funds, and the President, Secretary and Treasurer. The Association shall bear the cost of bonding of Directors and Officers. In the case of a community association manager or management firm, the cost of bonding may be allocated as the parties may agree. All persons providing management services to the Association, or otherwise having the authority to control or disburse Association funds, shall provide the Association with a certificate of insurance evidencing compliance with this paragraph, naming the Association as an insured under said policy.

8. PARLIAMENTARY RULES. Robert's Rules of Order (latest edition) shall be used as a general, non-binding guide in the conduct of Members' meetings, Board meetings, and Committee meetings to ensure fairness, impartiality, and respect for minority views without unduly burdening majority rights. Meetings shall also be conducted in accordance with these Bylaws and the procedures established by the Board from time to time, including the form of voting documents to be used. The ruling of the Chair of the meetings, unless he or the Board designates a third person as Parliamentarian, shall be binding on all matters of procedure, unless contrary to law. The failure or alleged failure to adhere to Robert's Rules of Order shall not be used as a basis to legally challenge any action of the Association.

9. BYLAW AMENDMENTS. Amendments to the Bylaws shall be adopted in the following manner:

9.1 Proposal of Amendments. An amendment may be proposed by the President of the Association, the Directors, or by twenty-five percent (25%) of the entire Voting Interests.

9.2 Proposed Amendment Format. Proposals to amend existing Bylaws shall contain the full text of the article to be amended. New words shall be underlined and words to be deleted shall be ~~lined through~~. If the proposed change is so extensive that this procedure would hinder rather than assist understanding, a notation must be inserted immediately preceding the proposed amendment saying, "SUBSTANTIAL REWORDING OF BYLAWS. SEE BYLAW NUMBER ____ FOR PRESENT TEXT."

9.3 Notice. The subject matter of proposed amendments shall be included in the notice of any meeting at which a proposed amendment is to be considered or in connection with documentation for action without a meeting.

9.4 Adoption of Amendments. A resolution for the adoption of a proposed amendment may be adopted by a vote of at least a majority of the Voting Interests of the Association. Amendments correcting errors, omissions, scrivener's errors, violations of applicable law, conflicts between the Condominium Documents, or if determined necessary and desirable by the Board to comply with the requirements of the secondary mortgage market, may be executed by the Officers of the Association, upon Board approval, without need for Association membership vote. The Board may also adopt amendments necessary to comply with the requirements of any governmental entity.

9.5 Effective Date. An amendment when adopted shall become effective after being recorded in the Monroe County Public Records according to law.

9.6 Automatic Amendment. These Bylaws shall be deemed amended, if necessary, so as to make the same consistent with the provisions of the Declaration or the Articles of Incorporation. Whenever the Act, Chapter 617, Florida Statutes, or other applicable statutes or administrative regulations, as amended from time to time, are amended to impose procedural requirements less stringent than set forth in these Bylaws, the Board may operate the Association pursuant to the less stringent requirements without the need to change these Bylaws. The Board, without a vote of the Owners, may also adopt by majority vote, amendments to these Bylaws as the Board deems necessary to comply with such operational changes as may be enacted by future amendments to Chapters 607, 617, and the Act, or such other statutes or administrative regulations as required for the operation of the Association, all as amended from time to time.

9.7 Proviso. No amendment shall change the configuration of any Unit or the share in the Common Elements appurtenant to it, or increase the Owner's proportionate share of the Common Expenses, unless the record Owner of the Unit concerned and all record Owners of the mortgages on such Unit shall join in the execution of the amendment, and all other Members approve the amendment.

10. DISPUTE RESOLUTION.

10.1 Mandatory Arbitration. If unresolved, disputes between the Board and Members, as defined in the Act, must be arbitrated in mandatory non-binding arbitration proceedings as provided in the Condominium Act prior to commencing litigation, so long as the Act requires such arbitration.

10.2 Member Inquiries. When a Member files a written inquiry by certified mail with the Board, the Board shall respond in writing to the Member within thirty (30) days of receipt of said inquiry. The Board's response shall either give a substantive response to the inquirer, or notify the inquirer that legal advice has been requested, or notify the inquirer that advice has been requested from the Association's counsel or the Division. If the Board requests advice from the Division, the Board shall, within ten (10) days of its receipt of the advice, provide in writing a

substantive response to the inquirer. If a legal opinion is requested, the Board shall, within sixty (60) days after the receipt of the inquiry, provide in writing a substantive response to the inquirer. The failure to provide a substantive response to the inquirer, as provided herein, precludes the Association from recovering attorneys' fees and costs in any subsequent litigation, administrative proceeding, or arbitration arising out of the inquiry. Absent a different rule adopted by the Board, the Board shall only be obligated to respond to one inquiry per month pertinent to any particular Unit. In the event of a grievance of a Member against the Association, the Board, or a Member thereof, written notice in detail of the grievance shall be given the Directors prior to the institution of litigation, (including, but not limited to, arbitration), and they shall be allowed a period of thirty (30) days in which to resolve the grievance.

10.3 Other Remedies. Nothing herein shall preclude the Association from pursuing any remedy for the violation of the Condominium Documents or disputes with a Member or other party as may be available to the Association under the laws of the State of Florida or the Condominium Documents.

11. MISCELLANEOUS. The following miscellaneous provisions shall apply to these Bylaws and the Condominium Documents.

11.1 Conflicts. The term "Condominium Documents," as used in these Bylaws and elsewhere include the Declaration, Articles of Incorporation, these Bylaws, the Rules and Regulations of the Association and the Plat. In the event of a conflict between the language in the Declaration and the Plat, the Plat shall control, except as specifically provided to the contrary in the Declaration. In the event of a conflict between language in any of the other Condominium Documents, the following priorities control:

1. Declaration of Condominium;

11.2 Gender. The use of the term "he," "she," "his," "hers," "their," "theirs" and all other similar pronouns are construed to include all genders and encompass the plural as well as the singular.

11.3 Severability. In the event that any provision of these Bylaws is deemed invalid, the remaining provisions remain in full force and effect.
